September 24, 2020 (Last edited April 3, 2024)

Meet Chief Justice John G. Roberts as the courtly and intellectually vain Emperor in fable titled *"The Emperor's New Clothes,"* [See Endnote 1 for a history of this fable] and US Attorneys General William P. Barr as fake Wizard in the "The Wizard of Oz." Eva Asensio, the author's daughter, is the child who sees the Emperor is wearing no clothes and who learns that there is no Wizard just a Man Behind the Curtain. The Man Behind the Curtain has become a metaphor for a humbug. The phrase, "Emperor's new clothes", has become a standard metaphor for anything that smacks of pretentiousness, pomposity, social hypocrisy, collective denial, or hollow ostentatiousness.

The author, Manuel P. Asensio, is the *Pioneer of Activist Short Selling*.[1] This is comic is based on the real-life story of Mr. Asensio's and Eva's battle with Roberts over the DRE[2]. A federal judicial policy such as

1. According to an article published by the National Bureau of Economic Research, the nation's leading nonprofit economic research organization, titled, "How Constraining Are Limits to Arbitrage? Evidence from a Recent Financial Innovation."

2. The DRE is an abbreviation that represents a fabrication called the *"domestic relations [and domestic violence] exception to federal subject matter jurisdiction."* The federal judges wrongfully asserted that the DRE is *"a legitimate judicial doctrine of deference to federalism in family law."* DRE is a lawless fabrication in US courts; it is enforced through federal judicial corruption as if it were law. No such policy or legislation could be considered much less passed by the US legislative branch. It is a nationwide judicial fraud that violates the canons of truth and reason, and is diametrically opposed to the notions of democracy, the rule of law, or constitutional thought, including federalism. Whether the federal judges call the DRE a policy, a doctrine, or a ruling, it is still fraud on the Constitution against the American people.

the DRE that visibly and deliberately protects corrupt judging at the state level is the greatest threat to American civilization and democracy.[3]

In simple terms, a short-seller father who is not a lawyer or a politician cornered Roberts and the nation's 13 chief judges of its US Court of Appeals. They were forced to lie and cheat to prevent the evidence against them from being presented to a jury in the federal District Court for the Southern District of New York.

The health and strength of a democracy can be measured by evaluating the relationship between its judges and its citizens, and whether the relationship is broad, equal, and protected through laws and mutually binding consultations.[4] There is a fatal flaw in the system because Roberts and the US Judicial Conference cannot be held accountable. Roberts' immunity from judicial conduct rules and laws[5] allows Roberts to have absolute[6] control of the Judicial Conference, the Administrative Office of the US Courts, the Federal Judiciary Center, and Federal Judiciary Center Foundation and to use this lawless control to protect deceitful judicial conduct at the state and federal level to illegal expand judicial power.[7]

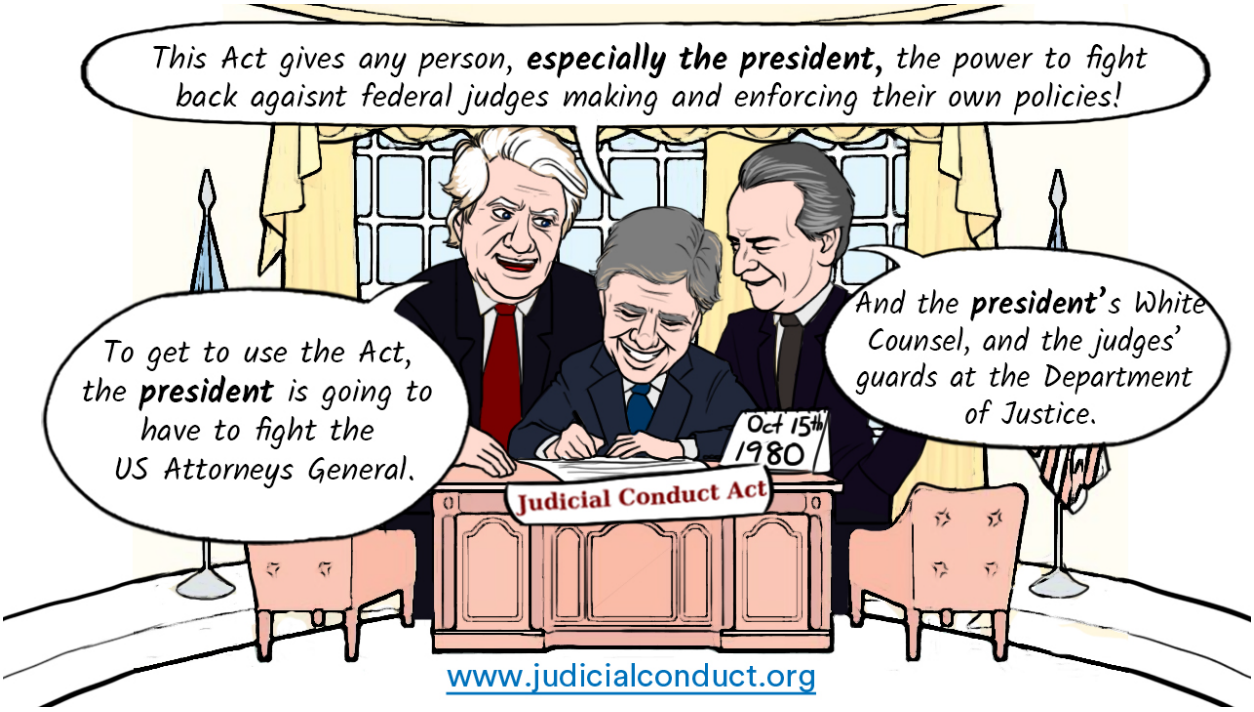
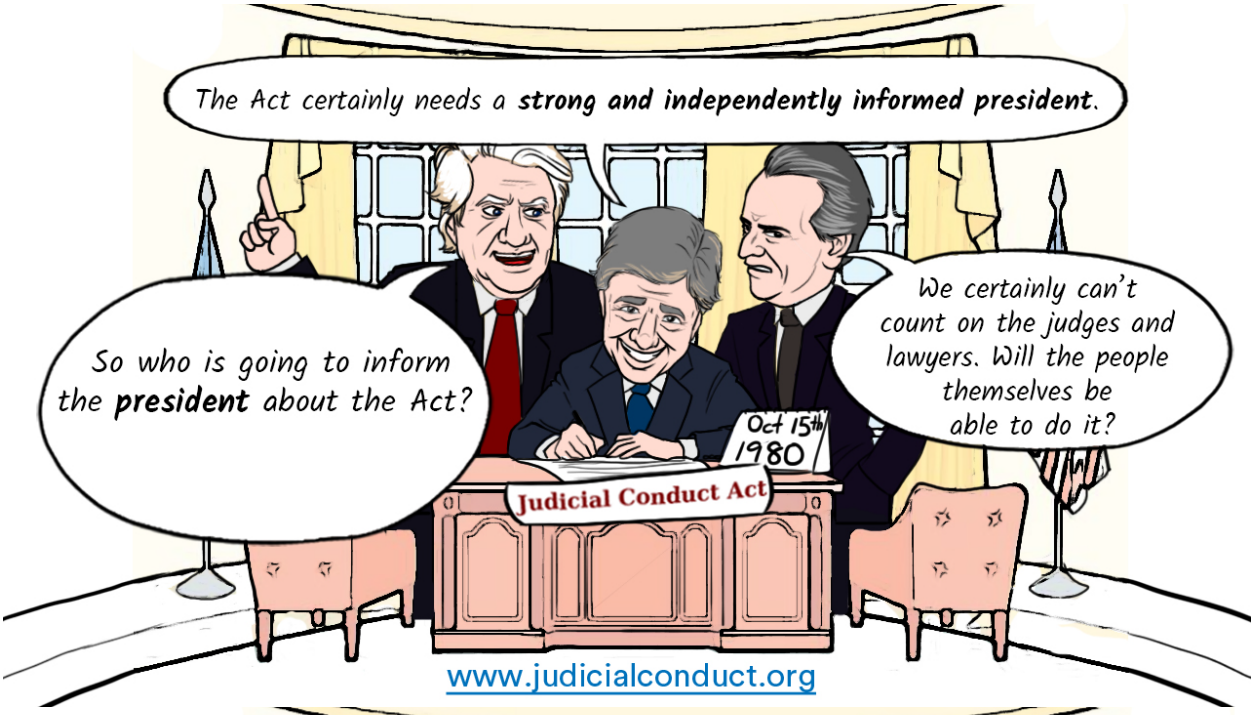
5. Chief Justice John Roberts both controls the Conference and is immune from disciplinary action under the Judicial Conduct Act. Placing the chief justice above the Judicial Conduct Act subverts democracy and endorses tyranny. Not surprisingly, the Committee on Judicial Conduct and Disability of the Judicial Conference (chaired by Judge Anthony J. Scirica) recently issued an opinion protecting Justice Roberts and confirming that he is untouchable under the Act. *See* Memorandum of Opinion, C.C.D. No. 19-01 (August 1, 2019).

6. Sir John Dalberg-Acton described this grave problem in his April 5, 1887 letter to Archbishop Mandell Creighton. The letter is about the corruption of the Popes of the thirteenth and fourteenth centuries. In this letter Sir Dalberg-Acton famously writes, "power tends to corrupt and absolute power corrupts absolutely." Acton adds that a "man is hanged not because he can or cannot prove his claim to virtues, but because it can be proved that he has committed a particular crime." Thus, without 'fake' laws a chief judge is powerless against parents. Yet how can parents defend themselves from chief judges that creates 'fake' laws and sanction themselves. This is heresy. As Acton wrote "[t]here is no worse heresy than that the office sanctifies the holder of it."

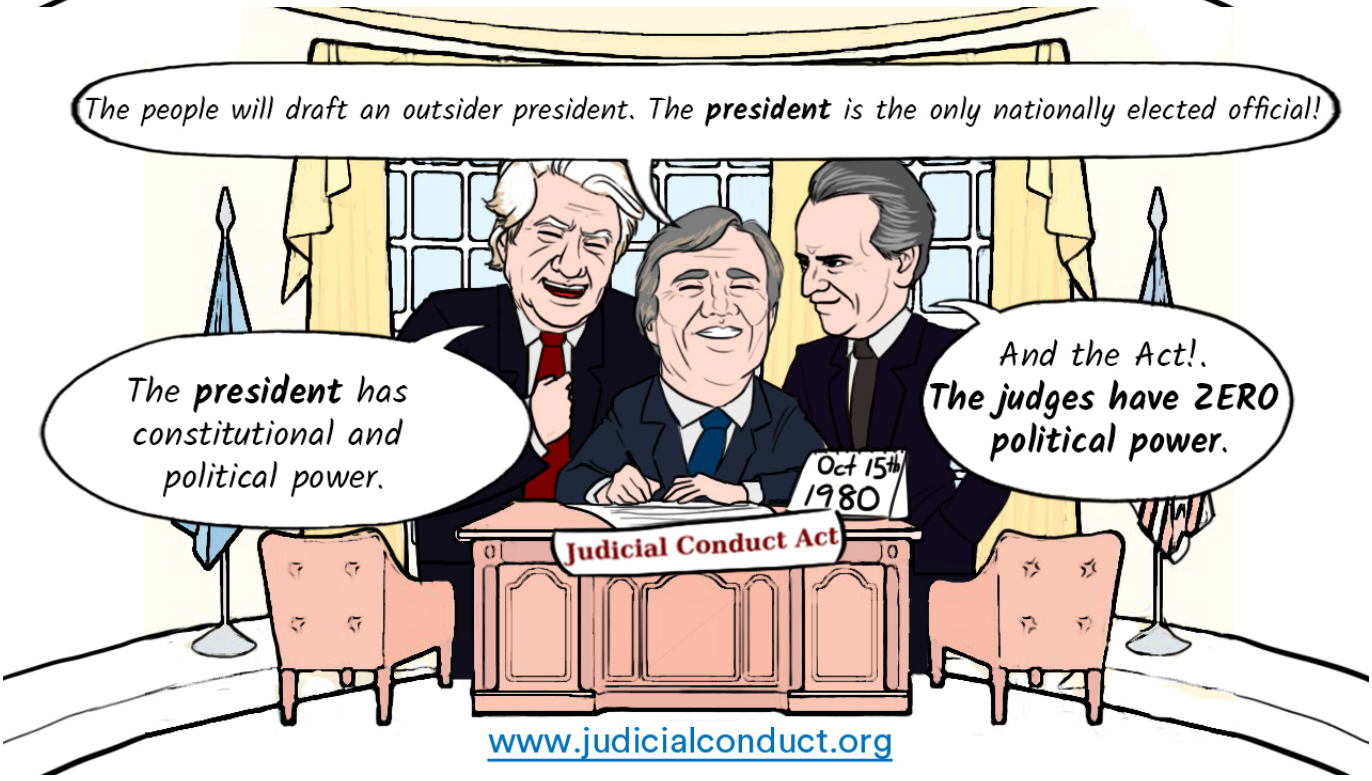
7. "The legitimate powers of government extend to such acts only as are injurious to others. But it does me no injury for my neighbor to say there are twenty gods, or no god. It neither picks my pocket nor breaks my leg." Thomas Jefferson, Notes on the State of Virginia. Query XVII. Published in English in London in 1787. Published anonymously in Paris in 1785.

CHAPTER 1: THE ACT, THE SNOWBALL & EVA

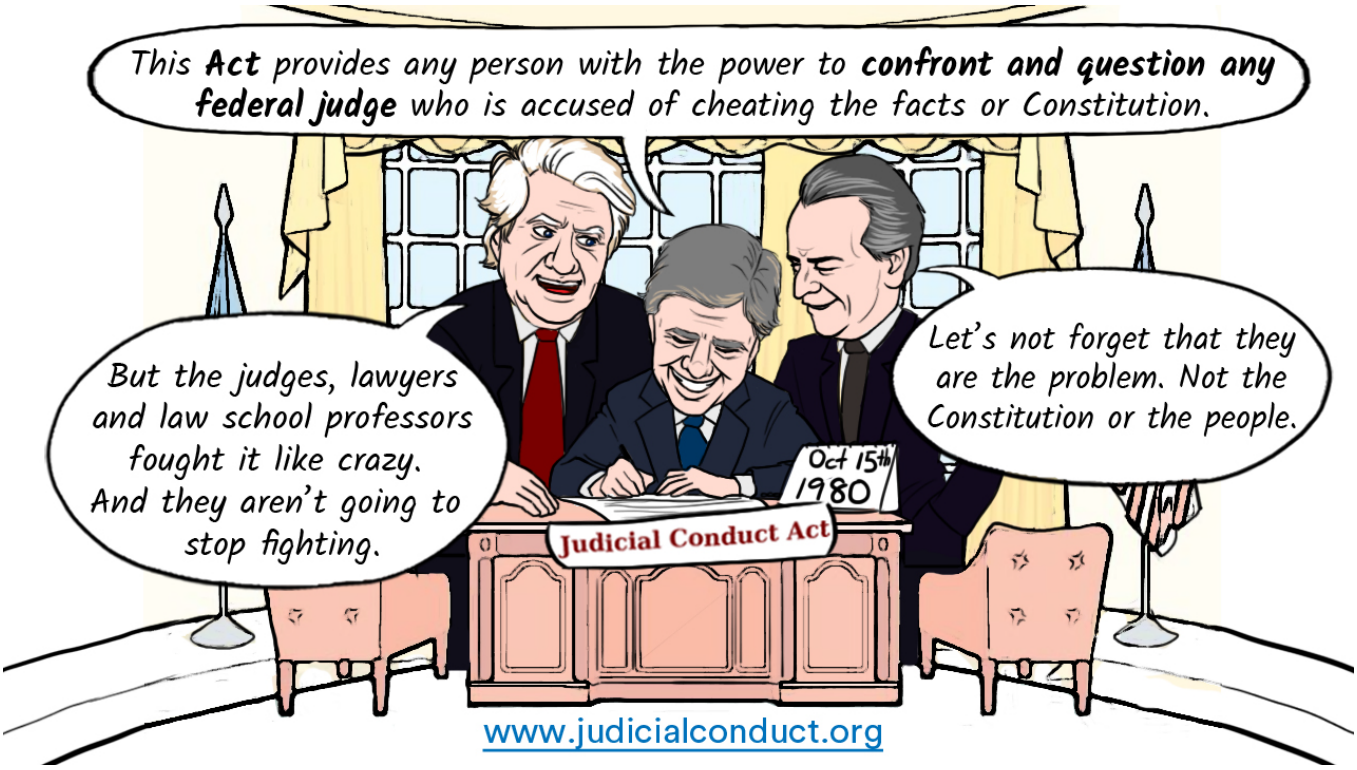




The Act certainly needs a **strong and independently informed president**.
So who is going to inform the **president** about the Act?
We certainly can't count on the judges and lawyers. Will the people themselves be able to do it?
Oct 15th 1980
Judicial Conduct Act
www.judicialconduct.org



The people will draft an outsider president. The **president** is the only nationally elected official!
The **president** has constitutional and political power.
And the Act!. **The judges have ZERO political power.**
Oct 15th 1980
Judicial Conduct Act
www.judicialconduct.org



This **Act** provides any person with the power to **confront and question any federal judge** who is accused of cheating the facts or Constitution.
But the judges, lawyers and law school professors fought it like crazy. And they aren't going to stop fighting.
Let's not forget that they are the problem. Not the Constitution or the people.

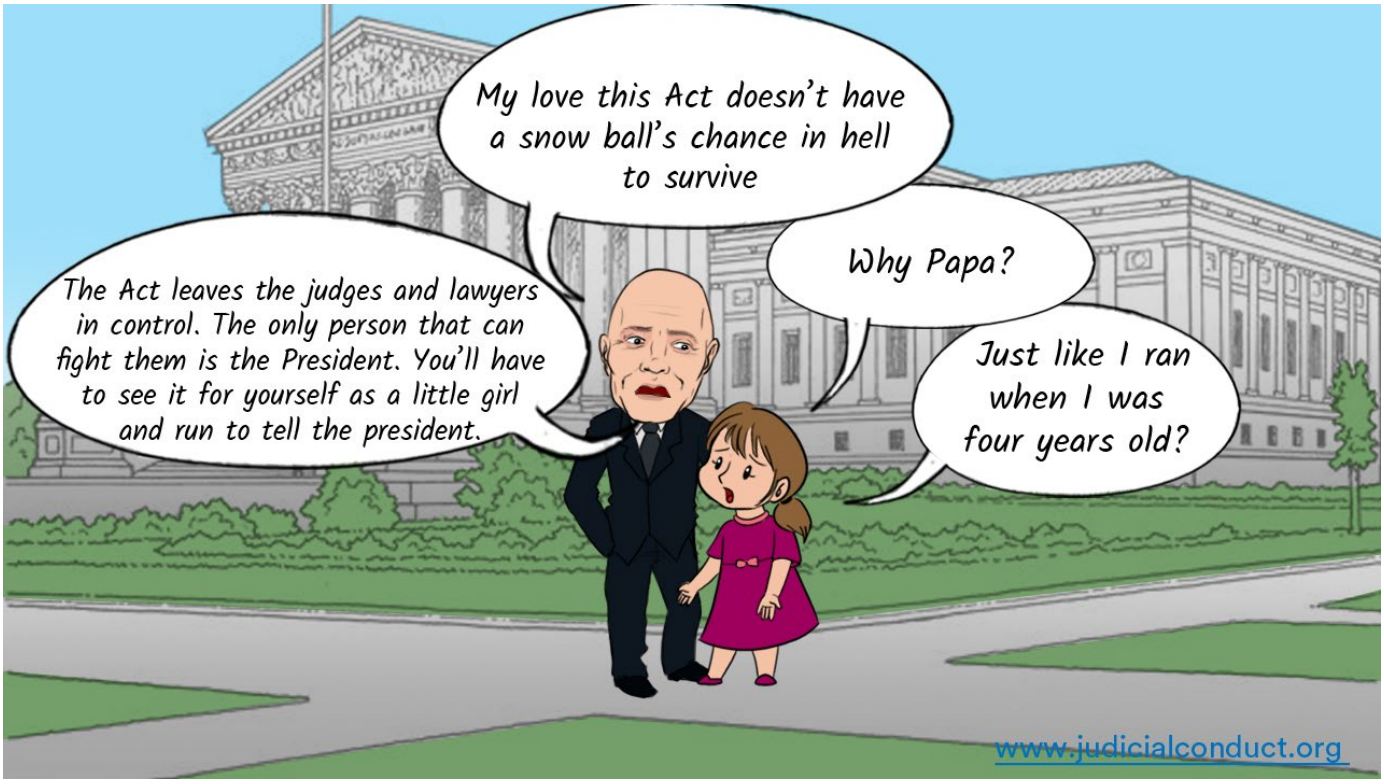
Judicial Conduct Act
www.judicialconduct.org



My love this Act doesn't have a snow ball's chance in hell to survive
Why Papa?
The Act leaves the judges and lawyers in control. The only person that can fight them is the President. You'll have to see it for yourself as a little girl and run to tell the president.
Just like I ran when I was four years old?

That's right. Anyone can file a complaint under the Act! Look at those signs on the wall? They are the problem!

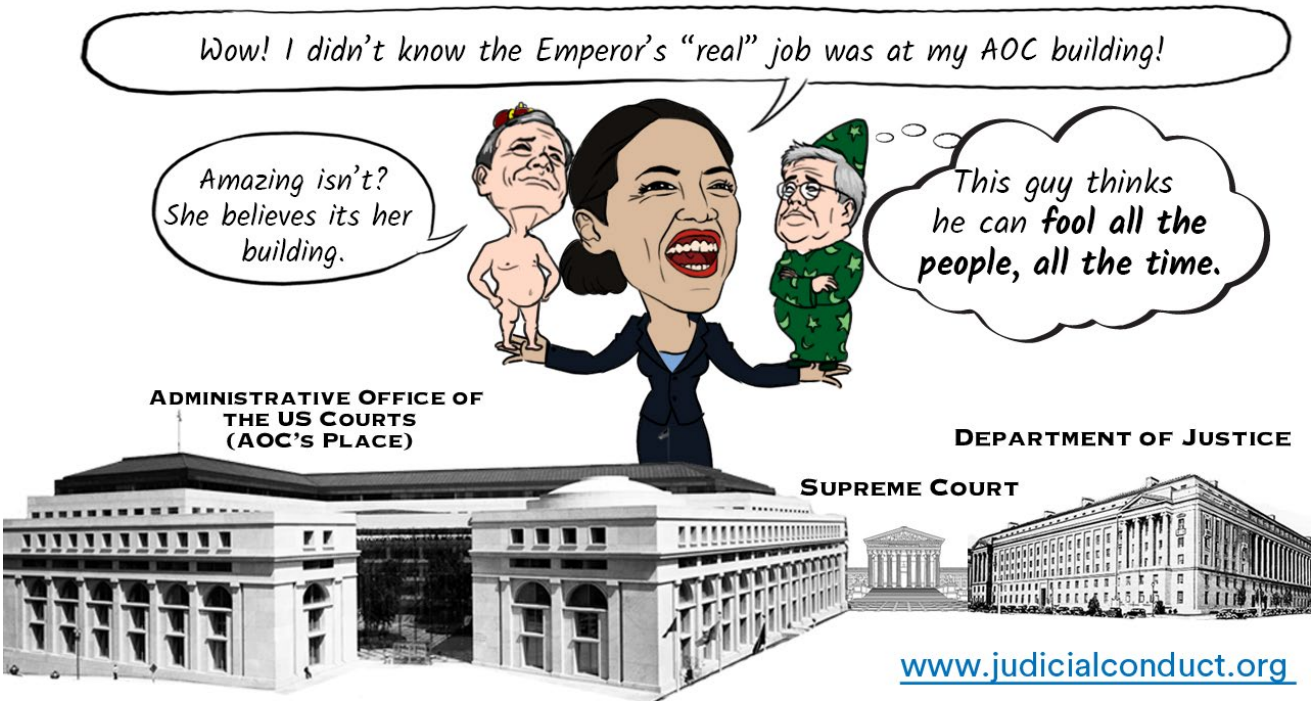
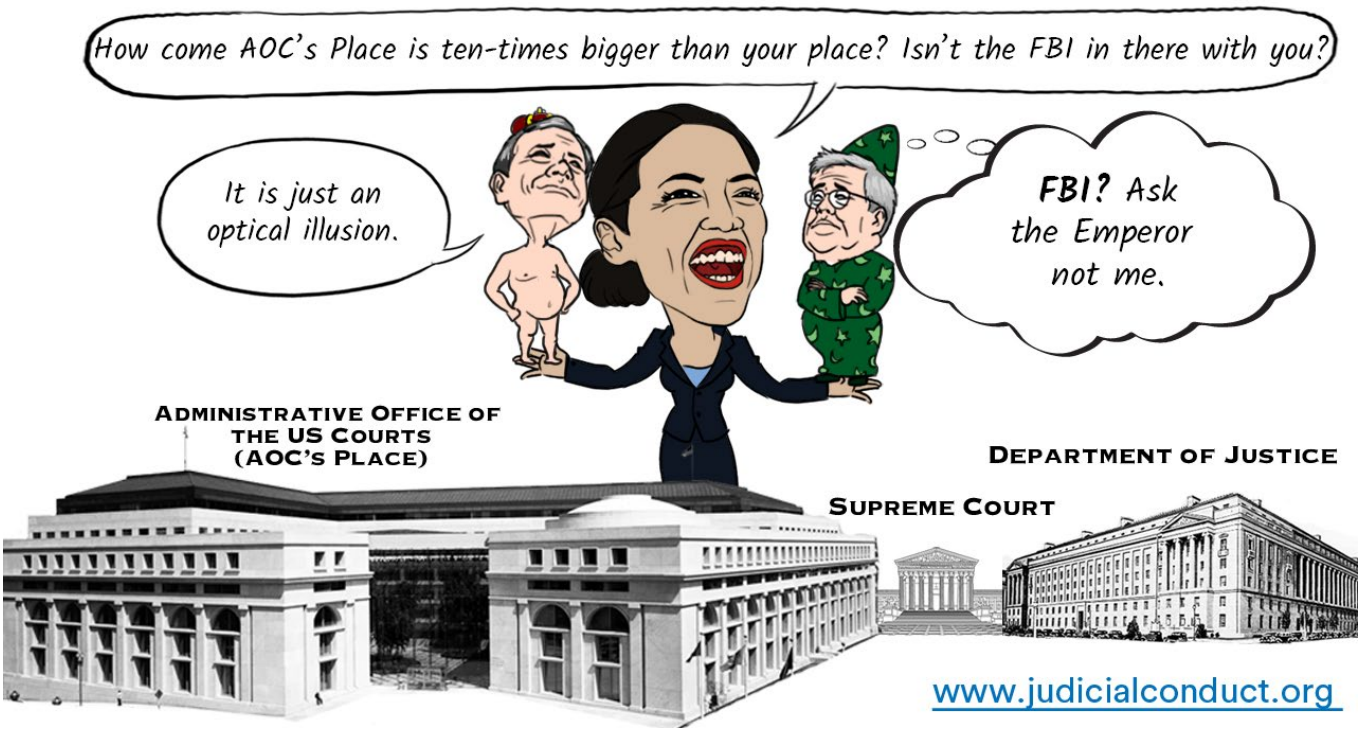
CHAPTER 4: TINY ITTY-BITTY SUPREME COURT



Are you really a socialist?
Actually, I see myself as the Chief Swamp Lizard.
Chief Swamp Lizard. If Trump hears that line...
ADMINISTRATIVE OFFICE OF THE US COURTS (AOC'S PLACE)
DEPARTMENT OF JUSTICE
SUPREME COURT
www.judicialconduct.org



How come AOC's Place is ten-times bigger than your place? Isn't the FBI in there with you?
It is just an optical illusion.
FBI? Ask the Emperor not me.

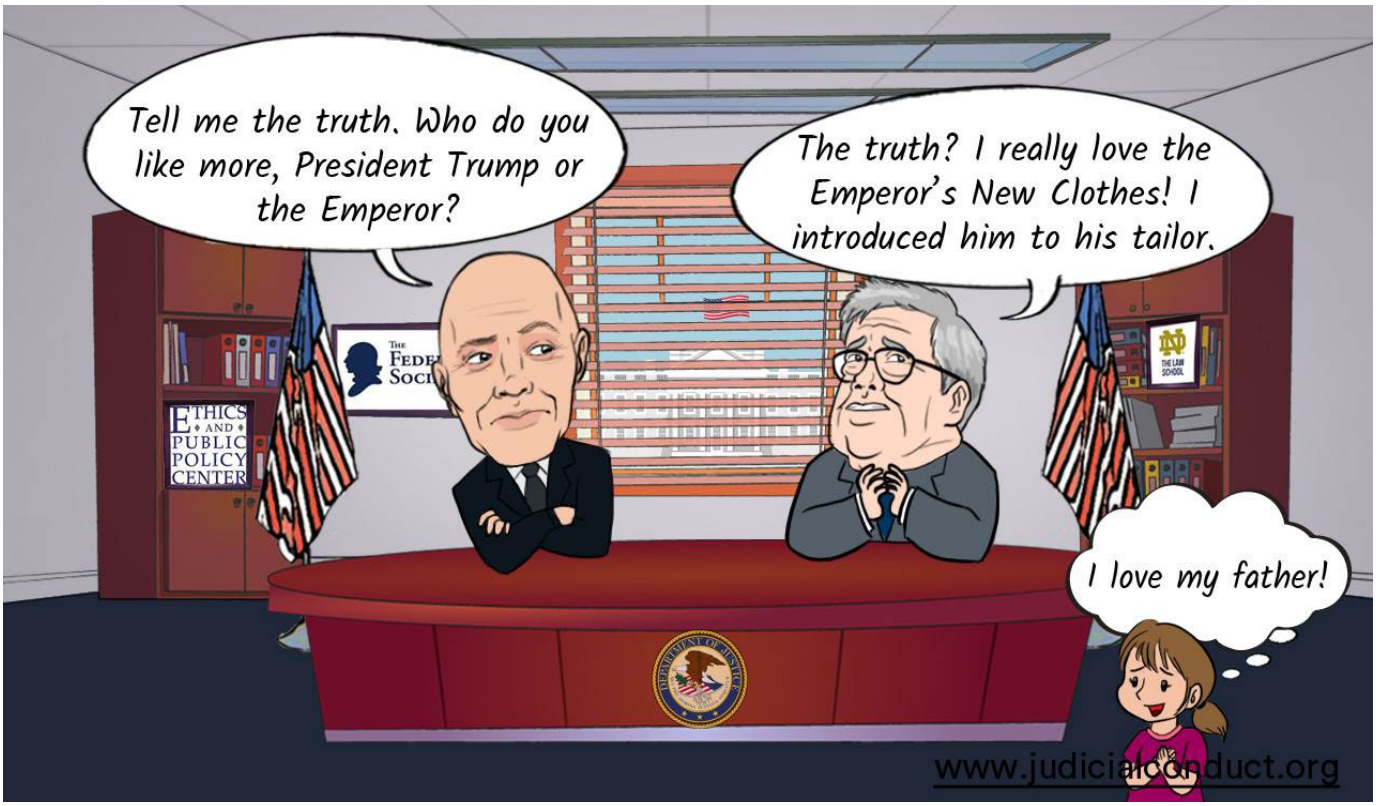
CHAPTER 5: BARR MEETS A SHORT-SELLER



Tell me the truth. Who do you like more, President Trump or the Emperor?
The truth? I really love the Emperor's New Clothes! I introduced him to his tailor.
I love my father!
ETHICS AND PUBLIC POLICY CENTER
www.judicialconduct.org

So who is responsible for the DRE? The Emperor, his tailor or you?
Nobody. It just is. That's all.
ETHICS AND PUBLIC POLICY CENTER
www.judicialconduct.org

According to your speeches, the Emperor's responsible and the DRE is the most monstrous crime ever in America's history.
No he's not. He's just a judge.
ETHICS AND PUBLIC POLICY CENTER
www.judicialconduct.org

The Act charges the chief justice as the presiding officer to investigate the judges who are accused of cheating with the facts and Constitution.
What!? There is no such thing! You're making that up!
ETHICS AND PUBLIC POLICY CENTER
www.judicialconduct.org

That's the point you left out of your speeches didn't you?
Law is very technical. Plus, I like the Emperor like he is.
ETHICS AND PUBLIC POLICY CENTER
www.judicialconduct.org

You called the judges monsters who interfere with the passing on of faith, the greatest expression of LOVE. YOU SAID THAT YOURSELF!
I don't know anything about judges being monsters! NOTHING!
ETHICS AND PUBLIC POLICY CENTER

The Emperor is a dirty cop.
He is in up to his eyebrows.
The DRE proves it.
Roberts... He told me...
I mean the Act...
no... the presiding officer!

You must tell the President.
No one will tell!

Eva knows and she will tell.
Eva. Your daughter?

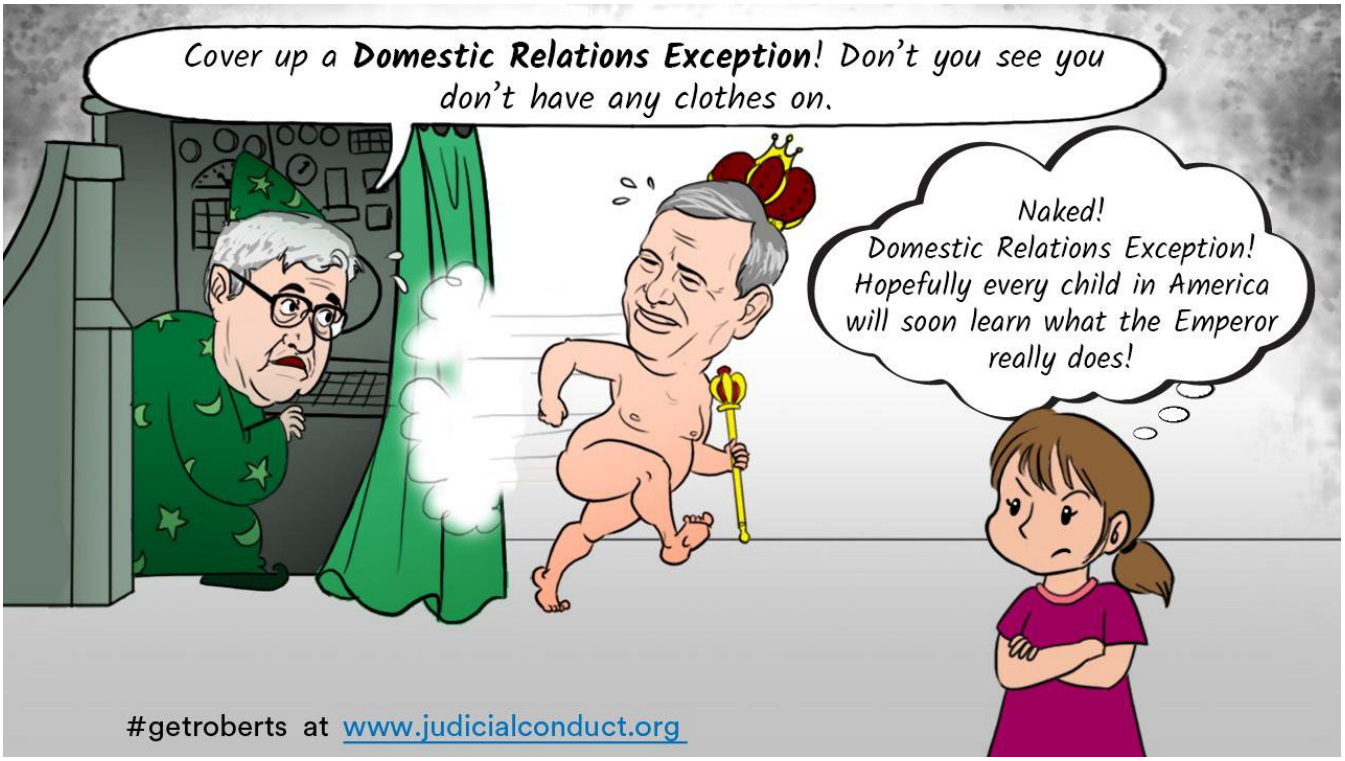
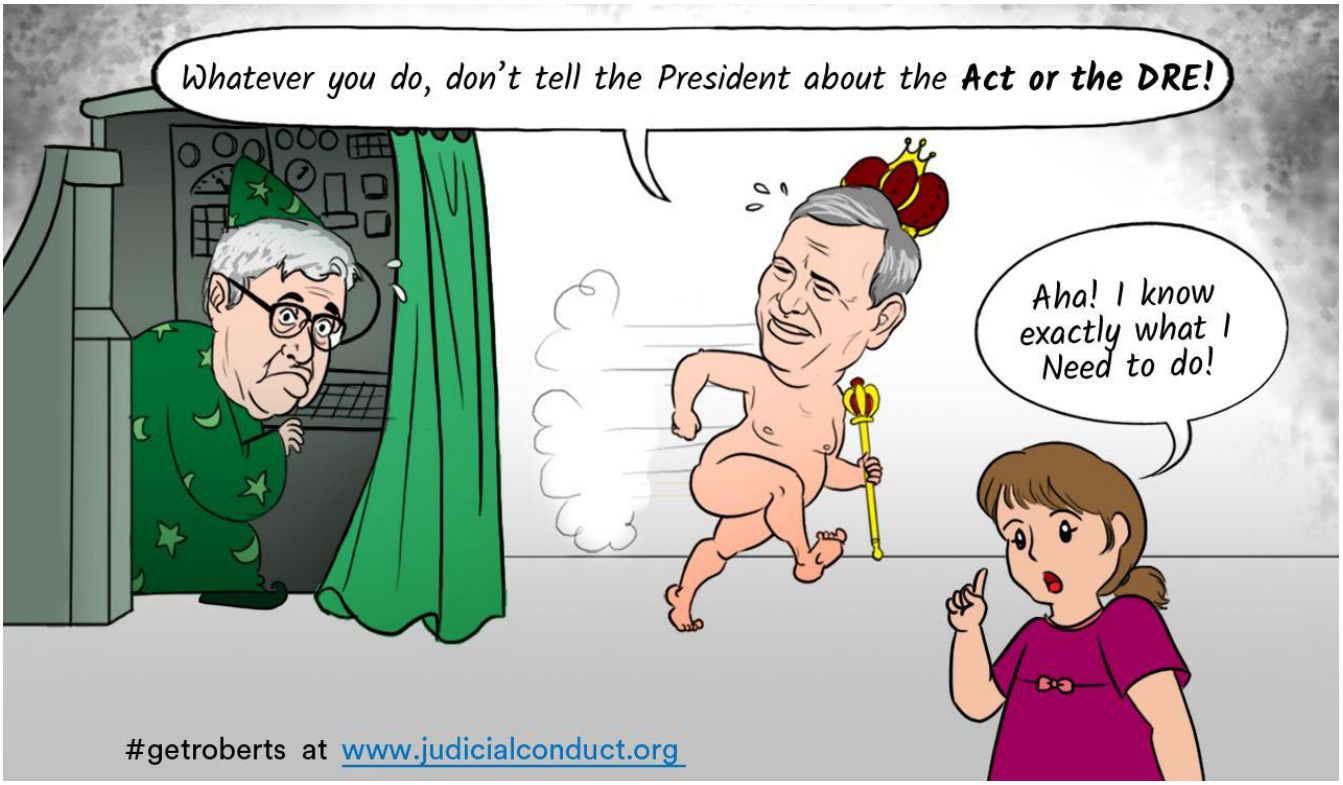
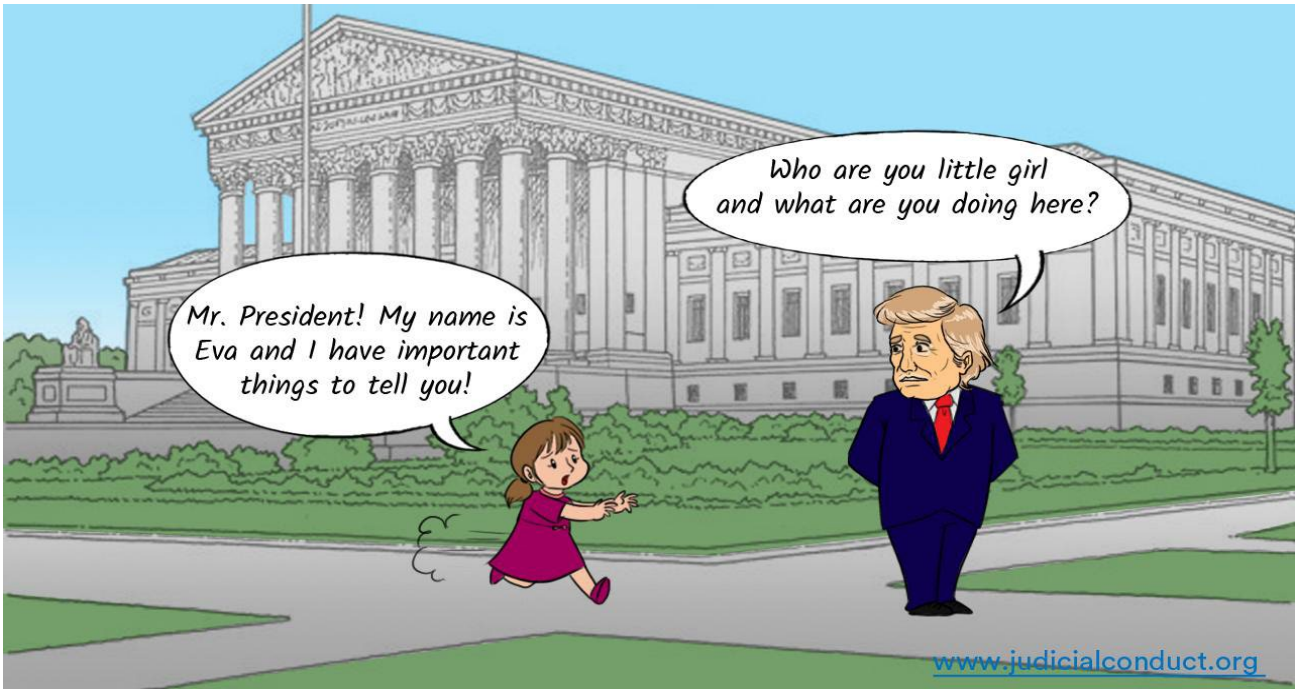
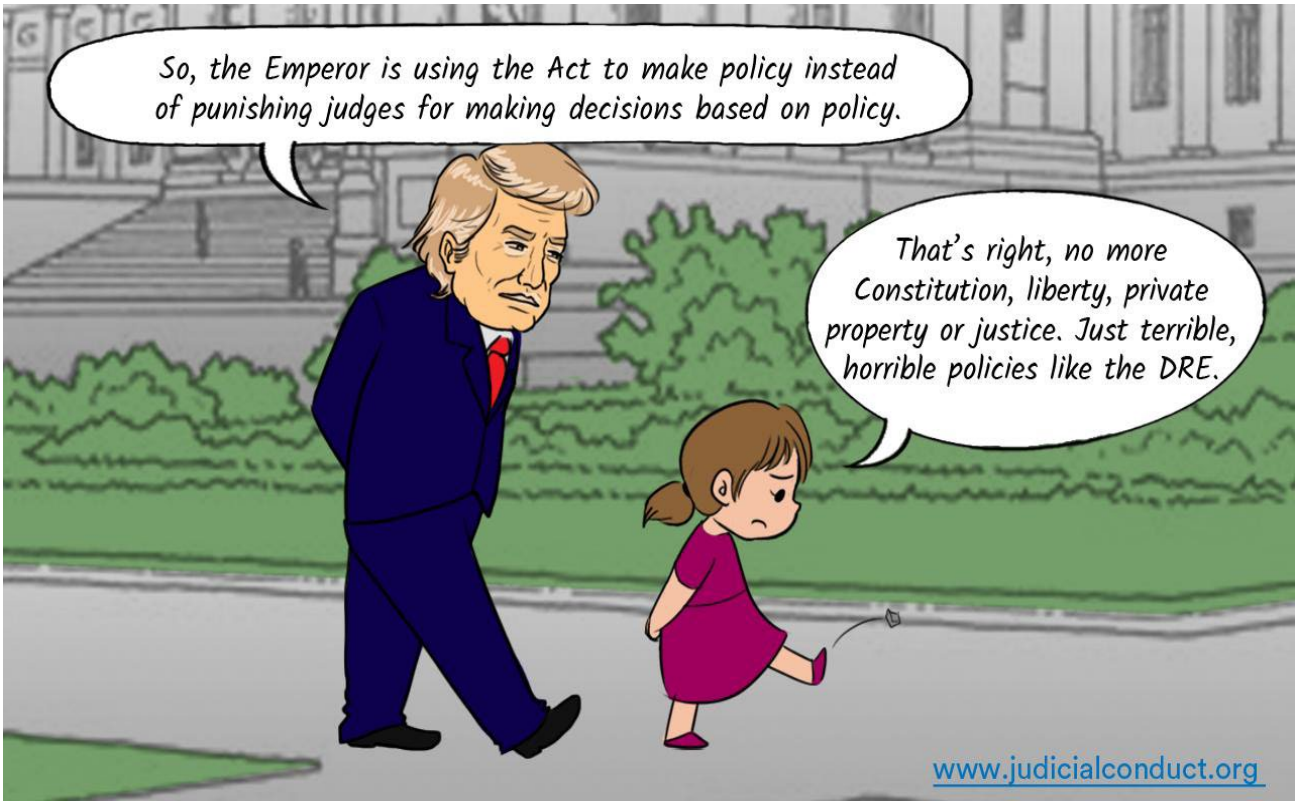
CHAPTER 6: GO HIDE

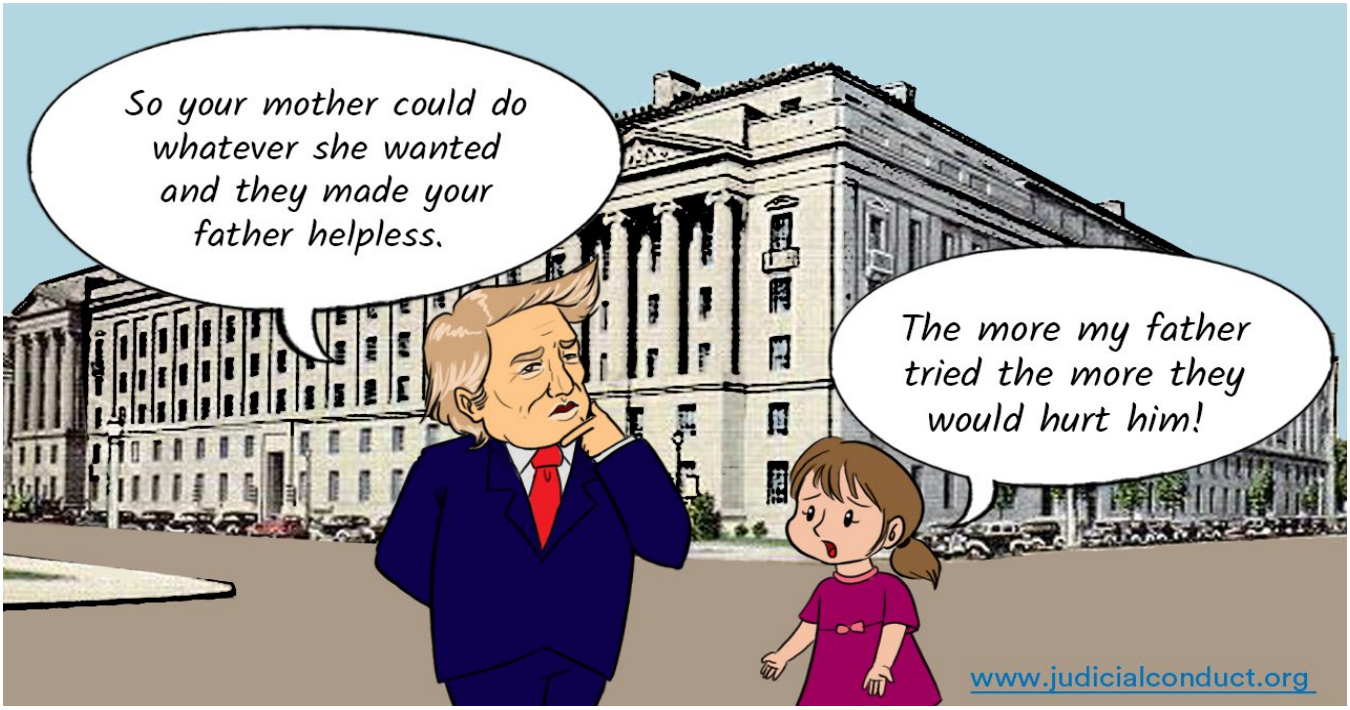




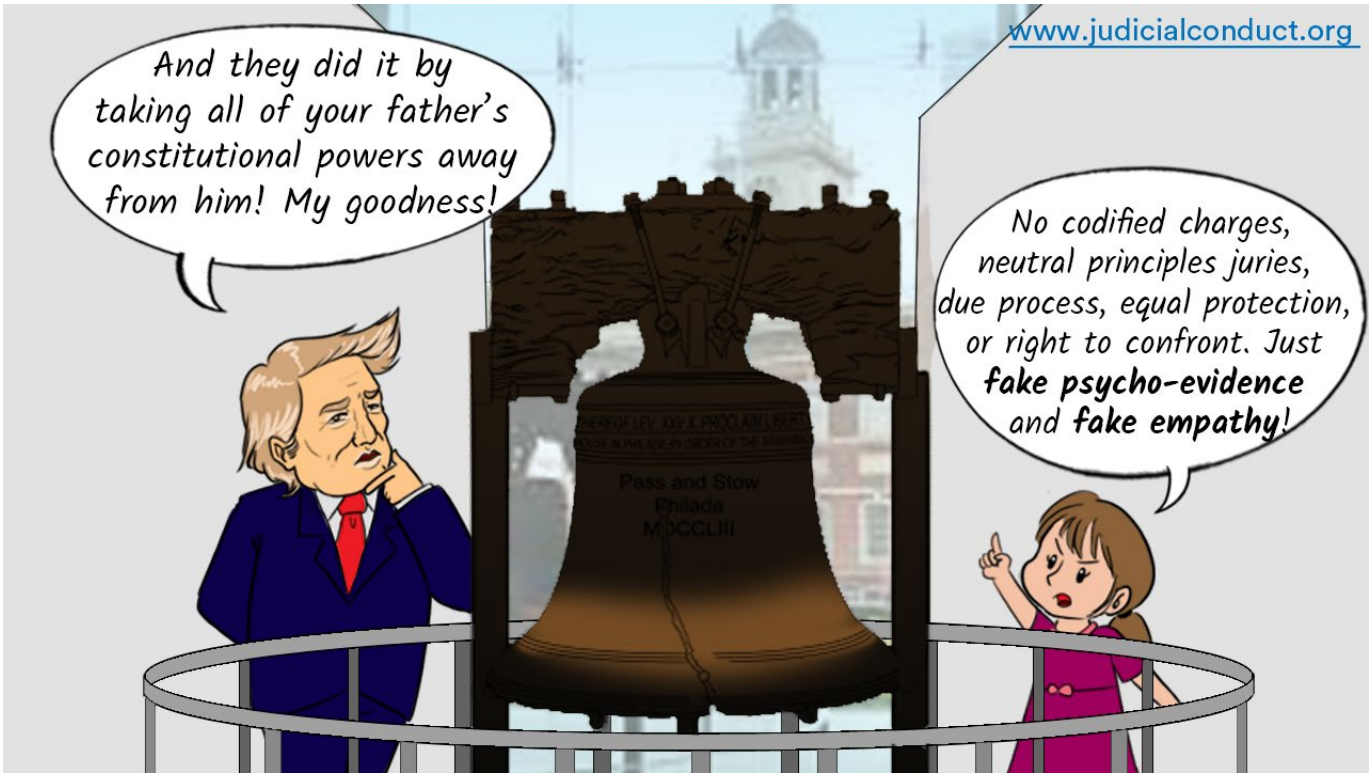
CHAPTER 7: EVA AND TRUMP TAKE A WALK



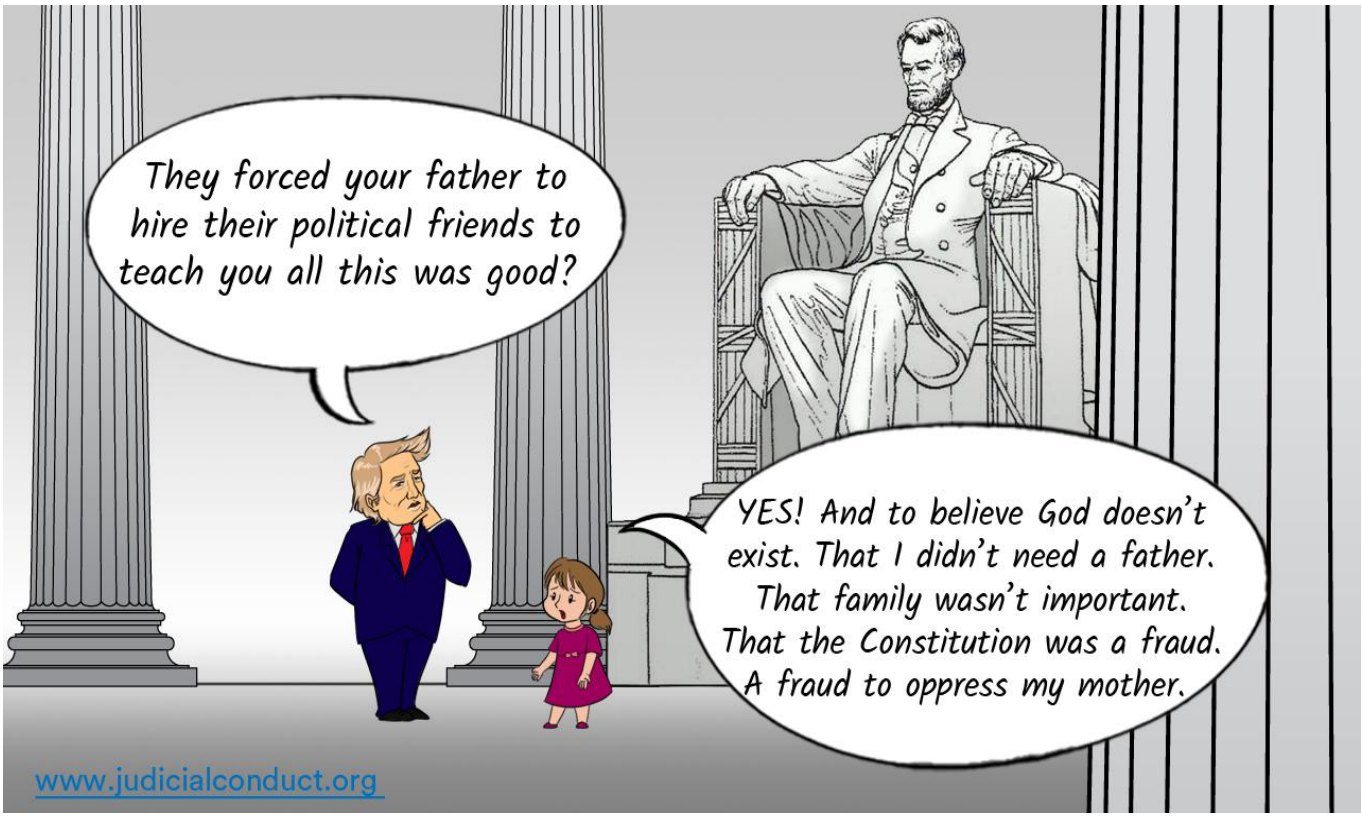




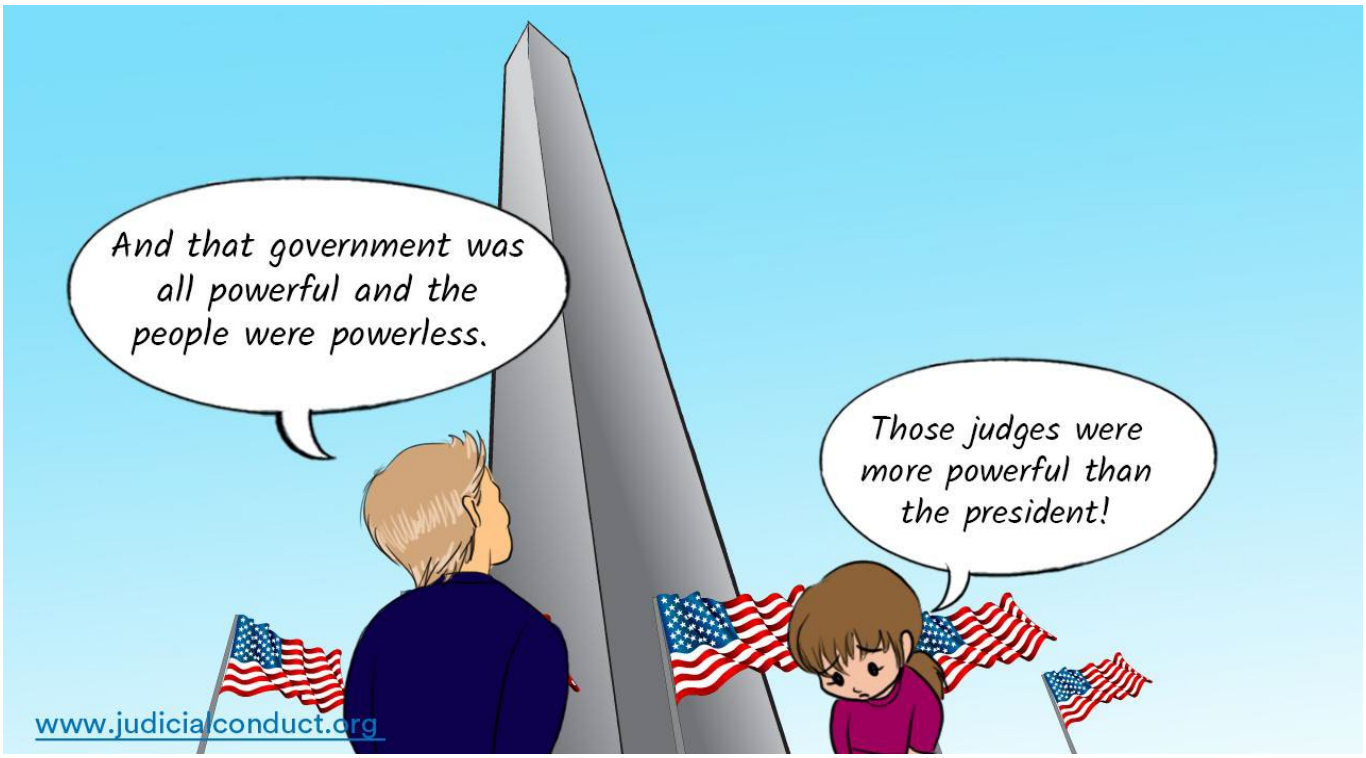
So your mother could do whatever she wanted and they made your father helpless.
The more my father tried the more they would hurt him!
www.judicialconduct.org



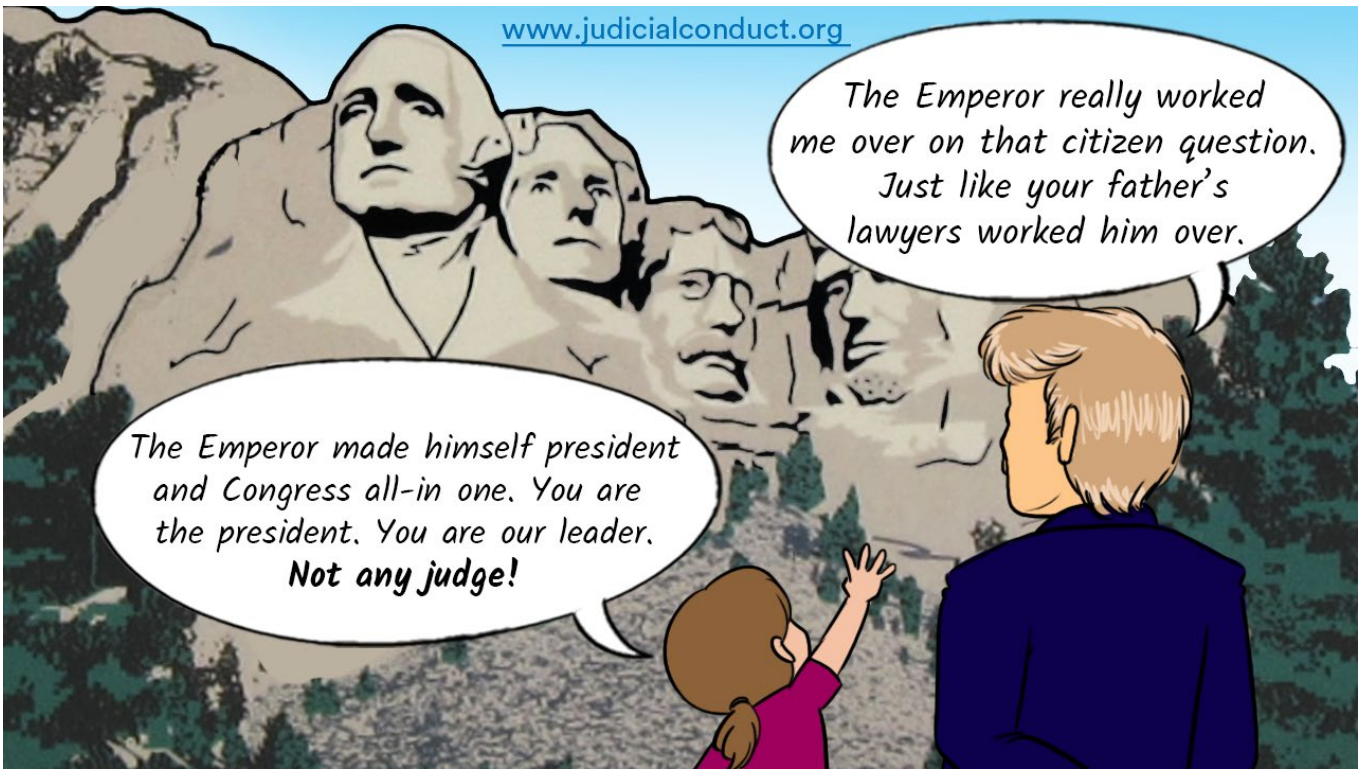
www.judicialconduct.org
And they did it by taking all of your father's constitutional powers away from him! My goodness!
No codified charges, neutral principles juries, due process, equal protection, or right to confront. Just fake psycho-evidence and fake empathy!
Pass and Stow
Philada
MDCCLIII



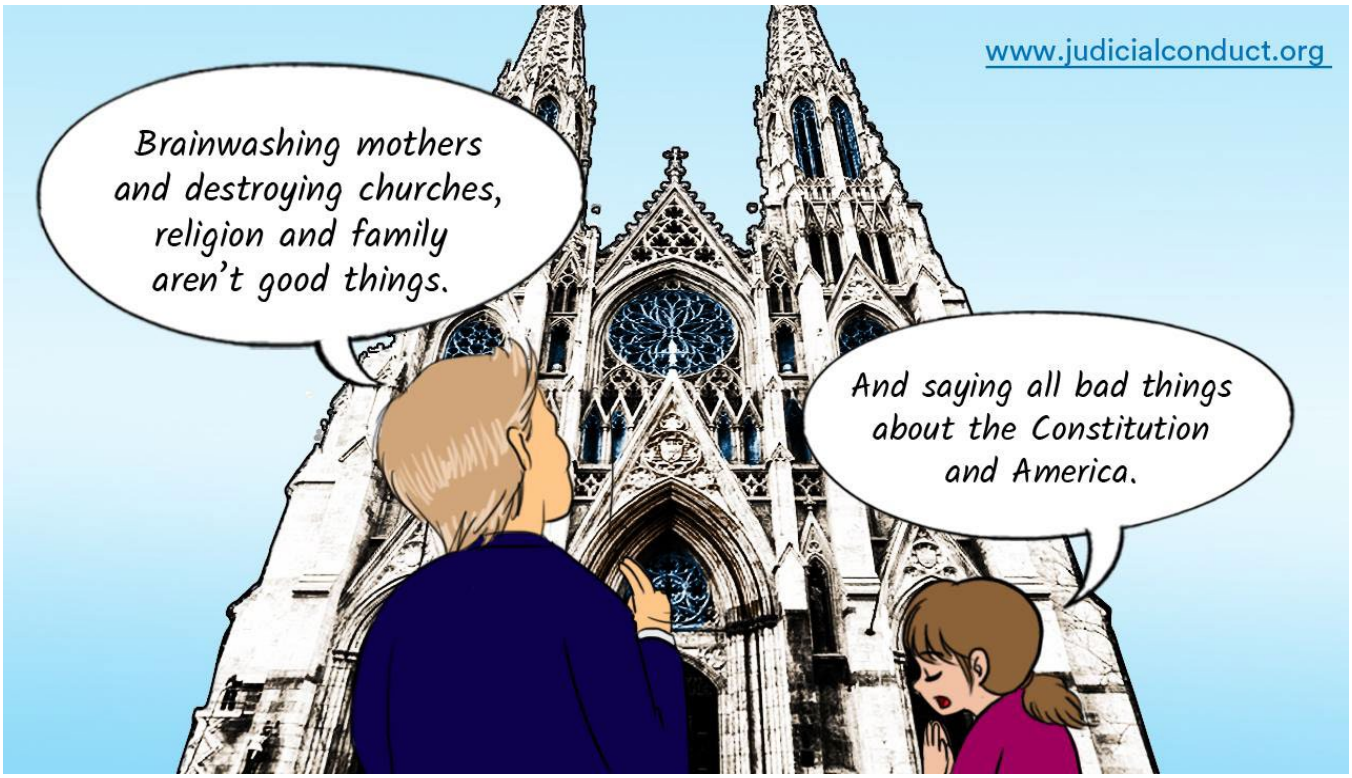
They forced your father to hire their political friends to teach you all this was good?
YES! And to believe God doesn't exist. That I didn't need a father. That family wasn't important. That the Constitution was a fraud. A fraud to oppress my mother.
www.judicialconduct.org



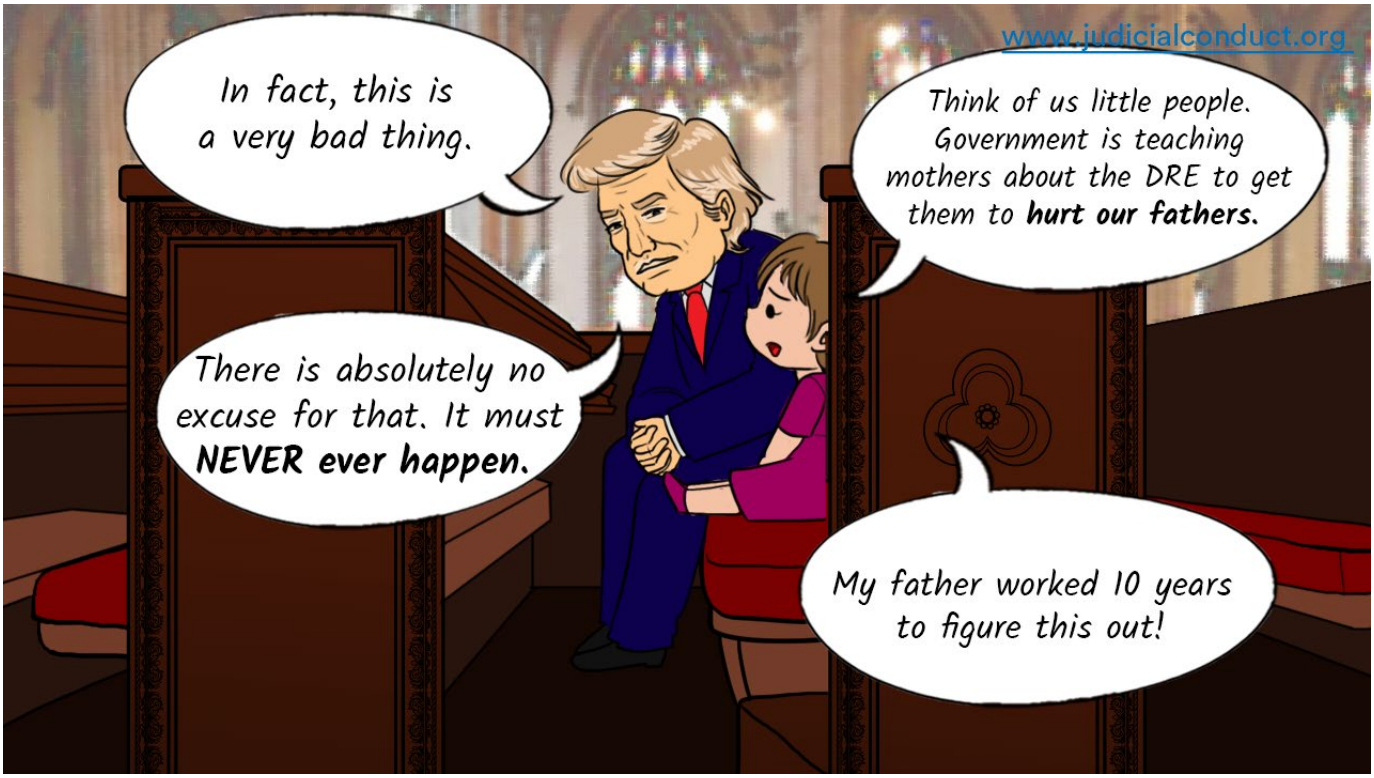
And that government was all powerful and the people were powerless.
Those judges were more powerful than the president!
www.judicialconduct.org



www.judicialconduct.org
The Emperor really worked me over on that citizen question. Just like your father's lawyers worked him over.
The Emperor made himself president and Congress all-in one. You are the president. You are our leader. Not any judge!

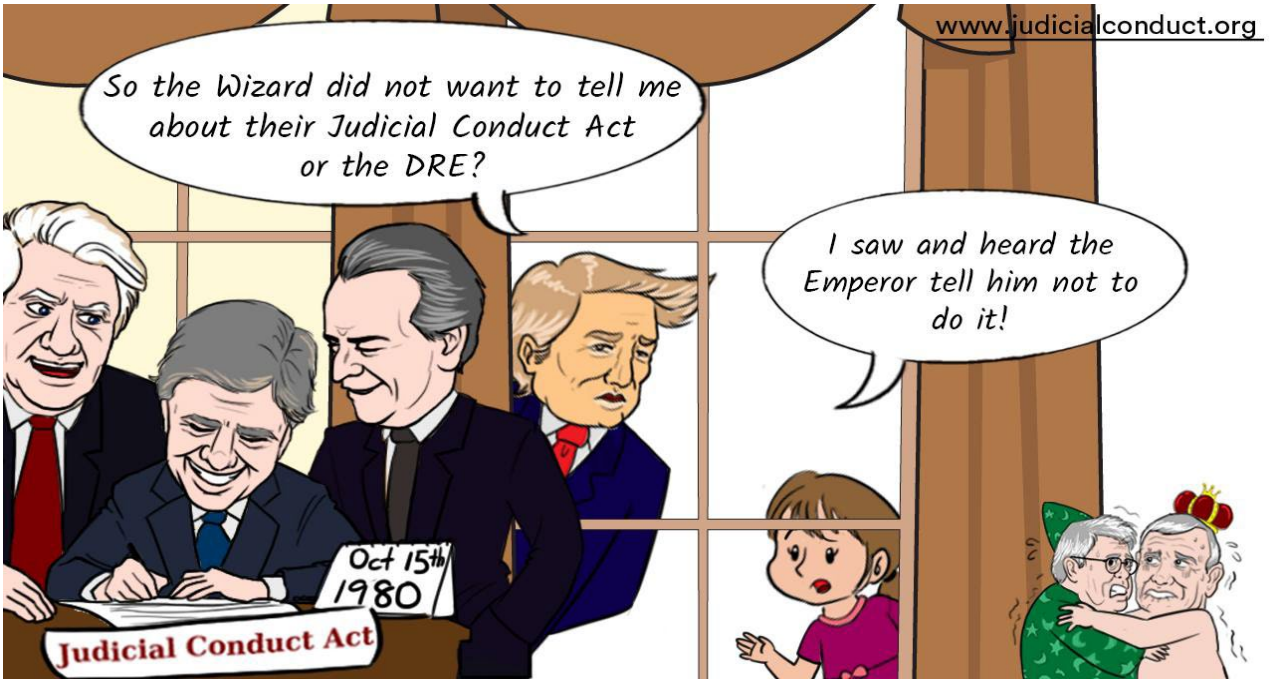


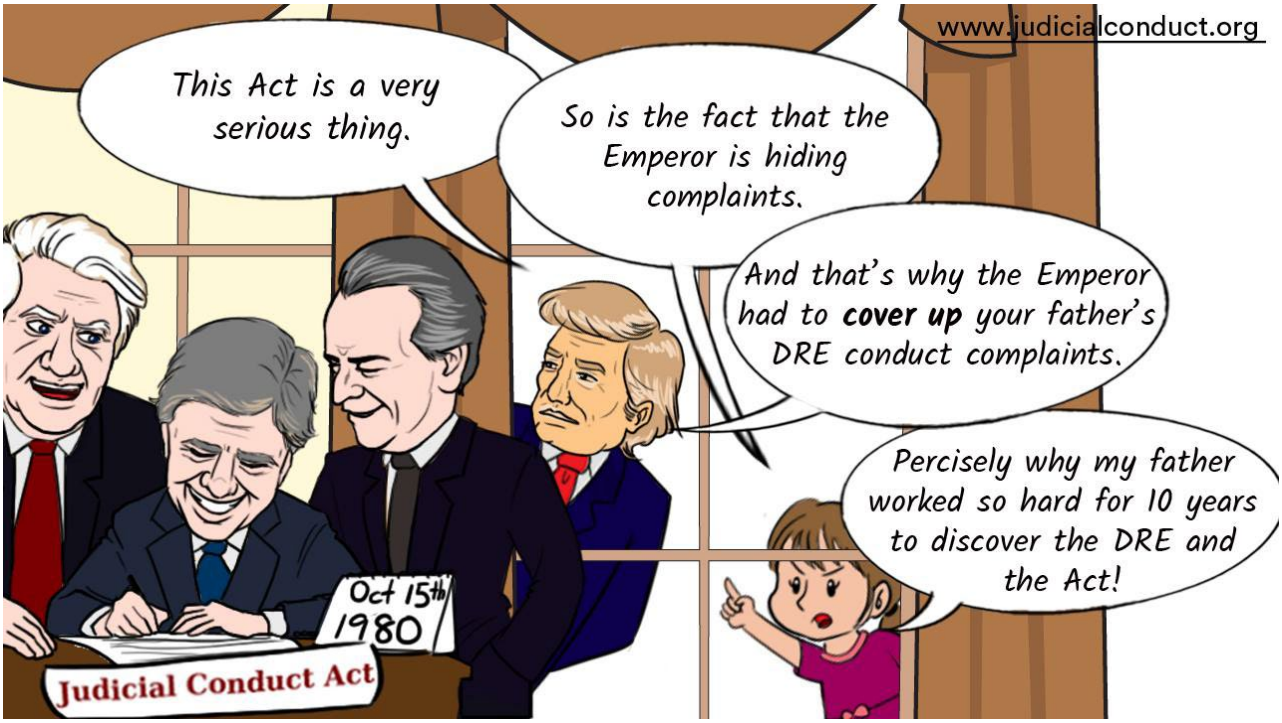
www.judicialconduct.org
Brainwashing mothers and destroying churches, religion and family aren't good things.
And saying all bad things about the Constitution and America.



www.judicialconduct.org
In fact, this is a very bad thing.
Think of us little people. Government is teaching mothers about the DRE to get them to **hurt our fathers.**
There is absolutely no excuse for that. It must **NEVER ever happen.**
My father worked 10 years to figure this out!

CHAPTER 8: TRUMP & EVA AT SIGNING THE ACT

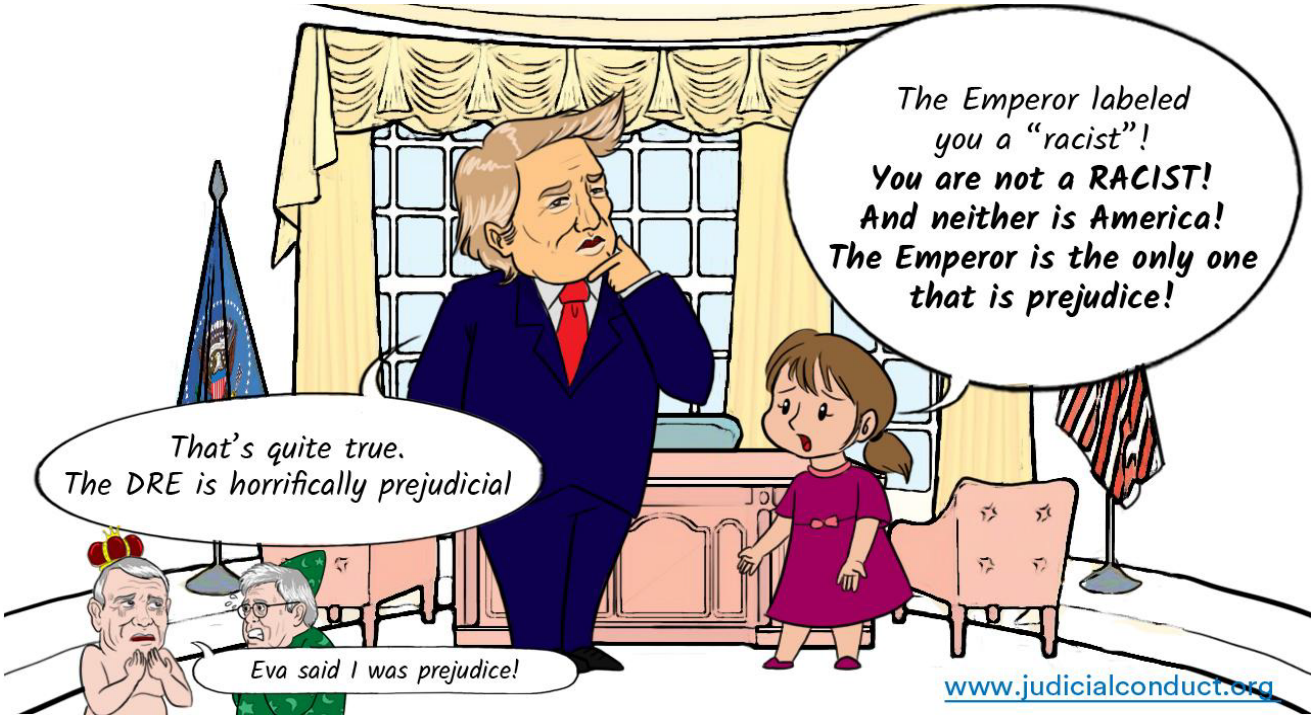


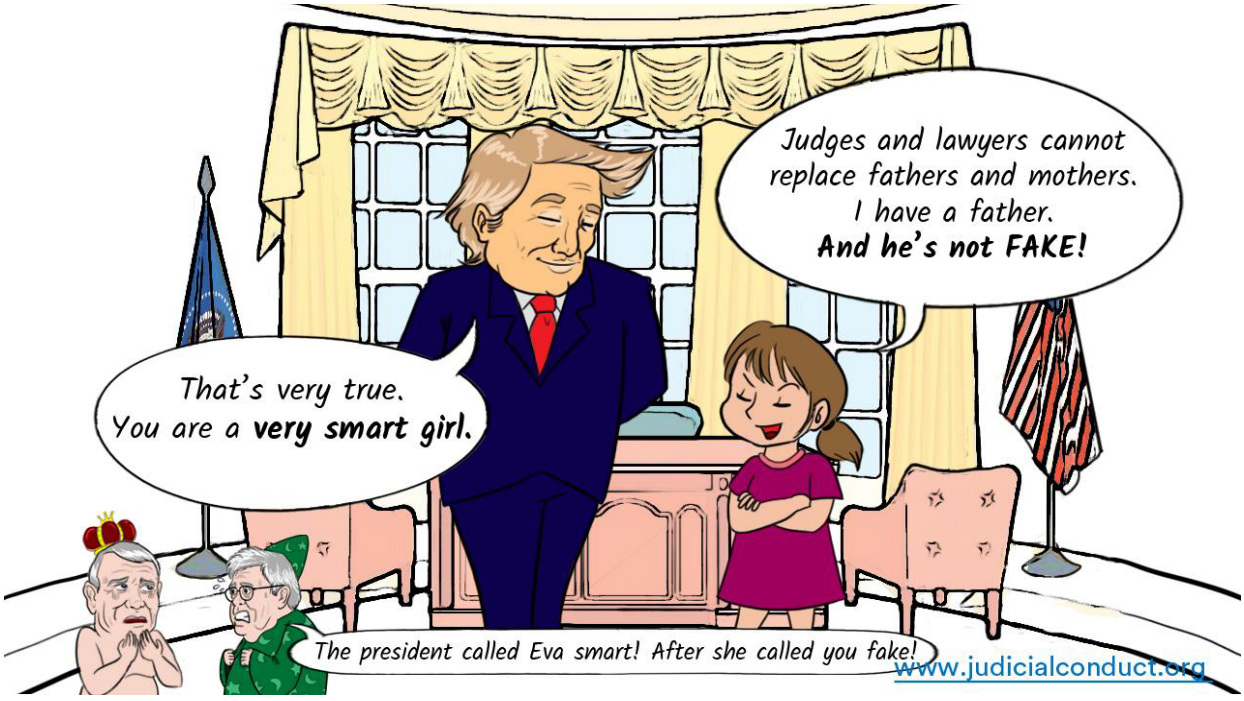


www.judicialconduct.org
Let's go to the Oval Office.
Yes, there are so many more things we have to talk about.

www.judicialconduct.org
We will figure this out.
For all the people. My father taught me that we all have to learn to love our freedom and independence!

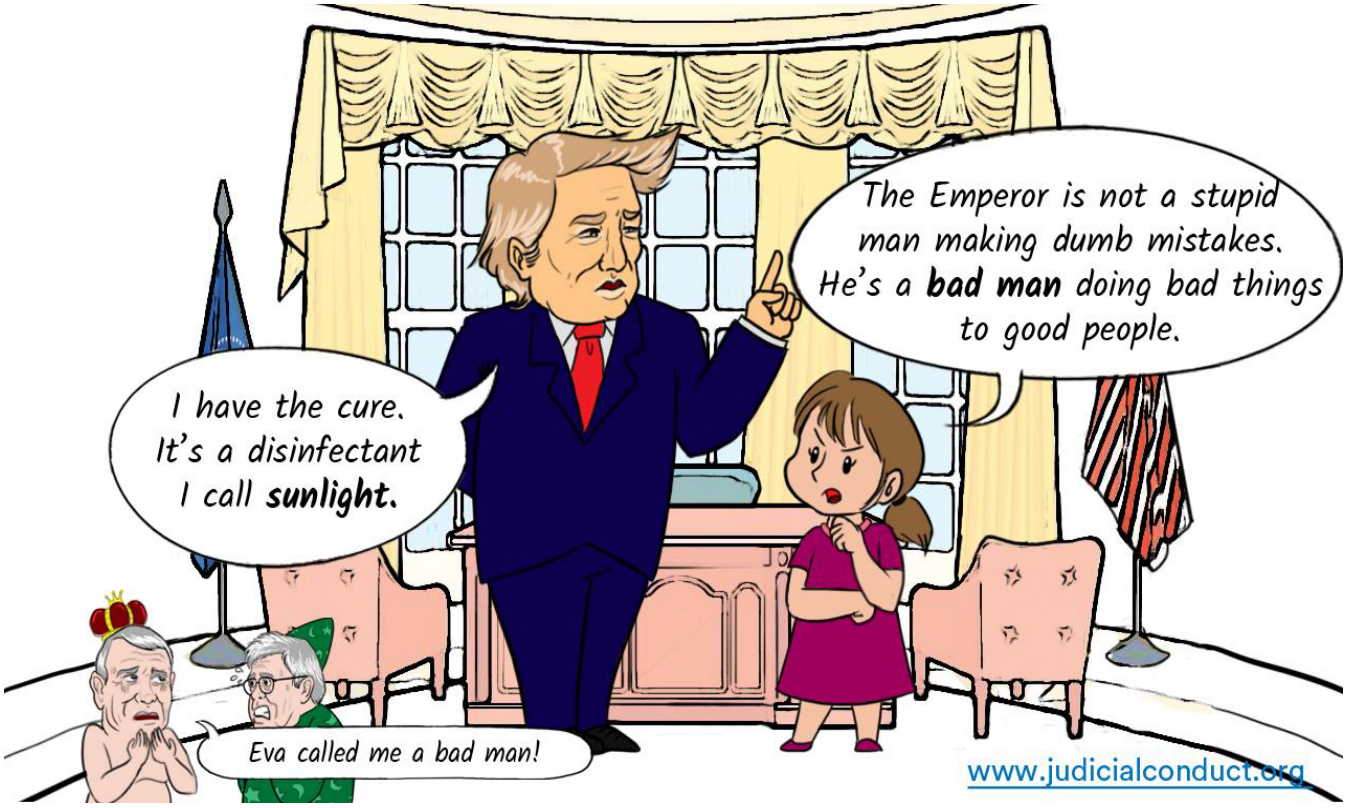
CHAPTER 9: THE PREJUDICES OF JUDGES





My father taught me the evils of fake judges, fake equality, communism, and to **value my faith, freedom and liberty!** Not fake empathy!
Well, you and your father **have done a great service** to every American!
www.judicialconduct.org

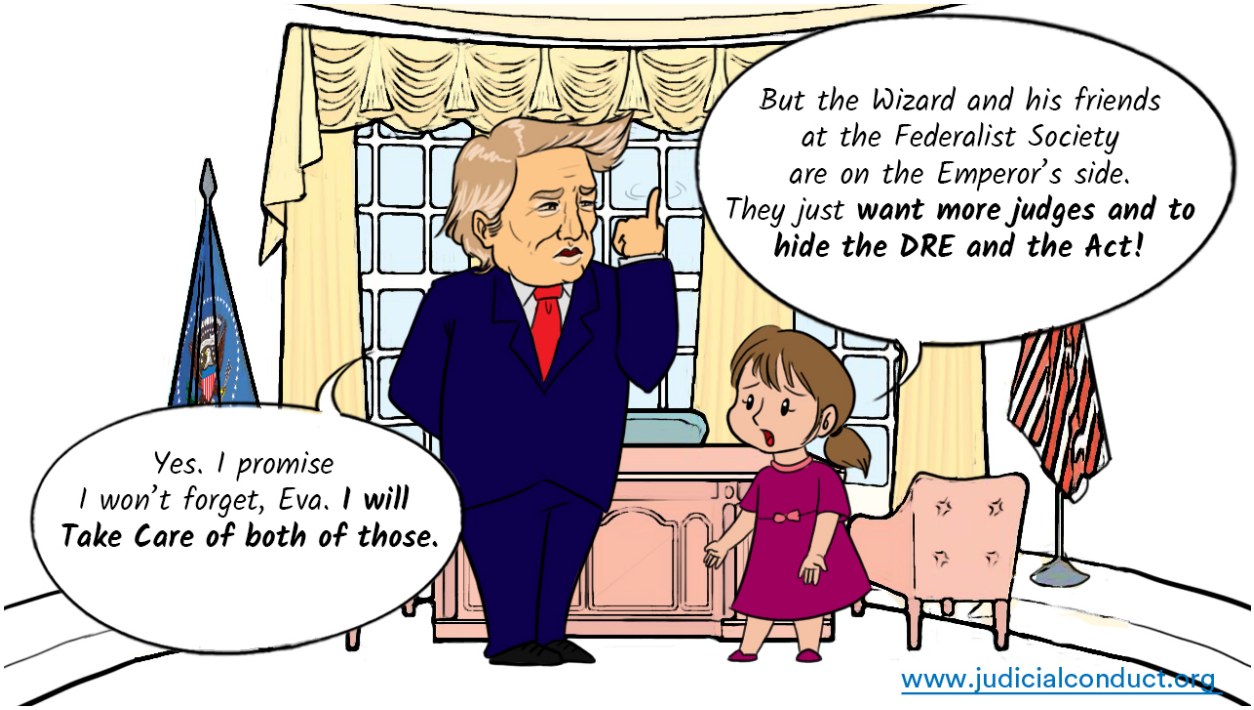
Immunity **isn't independent** from honesty and truth.
Yes, now we all know that was settled back in 1980 with the Judicial Conduct Act.
I told you Trump wouldn't let you hide behind your "I" words! You guys invented them for crying out loud!
www.judicialconduct.org



The Emperor is not a stupid man making dumb mistakes. He's a **bad man** doing bad things to good people.
I have the cure. It's a disinfectant I call **sunlight.**
Eva called me a bad man!
www.judicialconduct.org

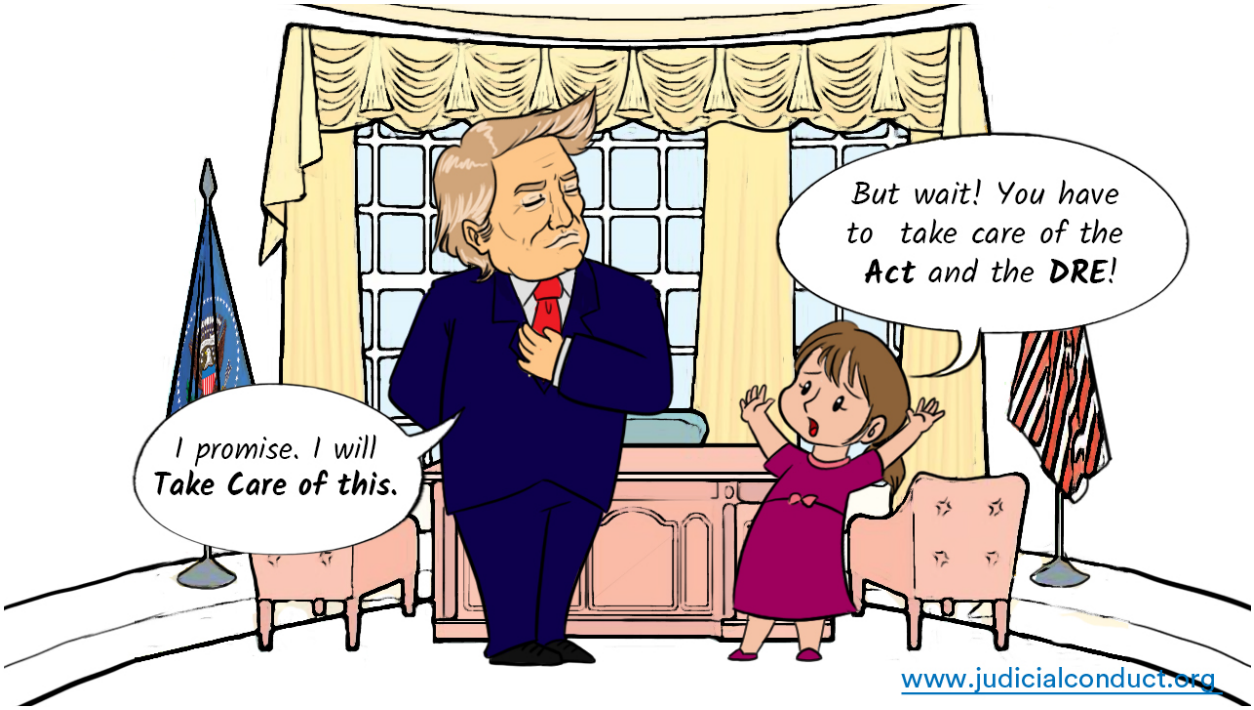
The Emperor is a sneaky liar! He's making up stupid excuses for lying about having to change America and Americans, and the Constitution.
It's amazing that the Wizard actually said that in his speeches yet he didn't tell me.
Eva called me a sneaky liar!
www.judicialconduct.org

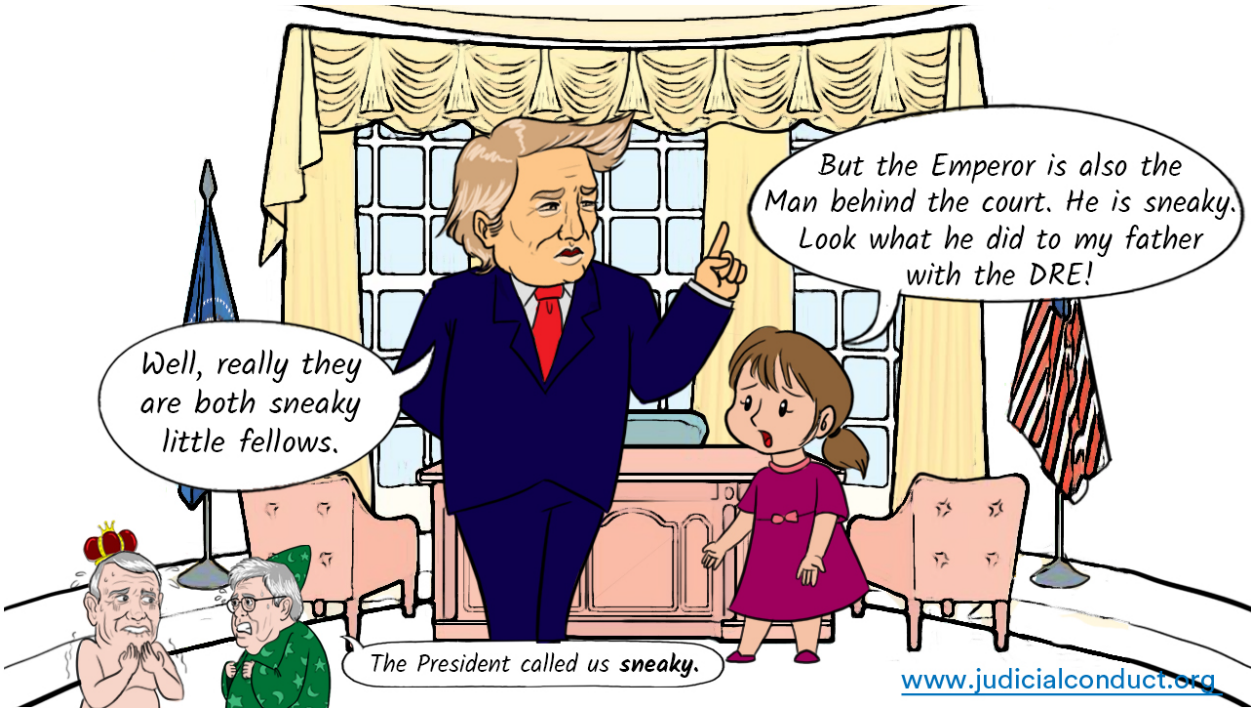
Mr. President, it is your bully pulpit. All you have to do is give a speech to the nation.
That's part of my sunlight plan.
www.judicialconduct.org

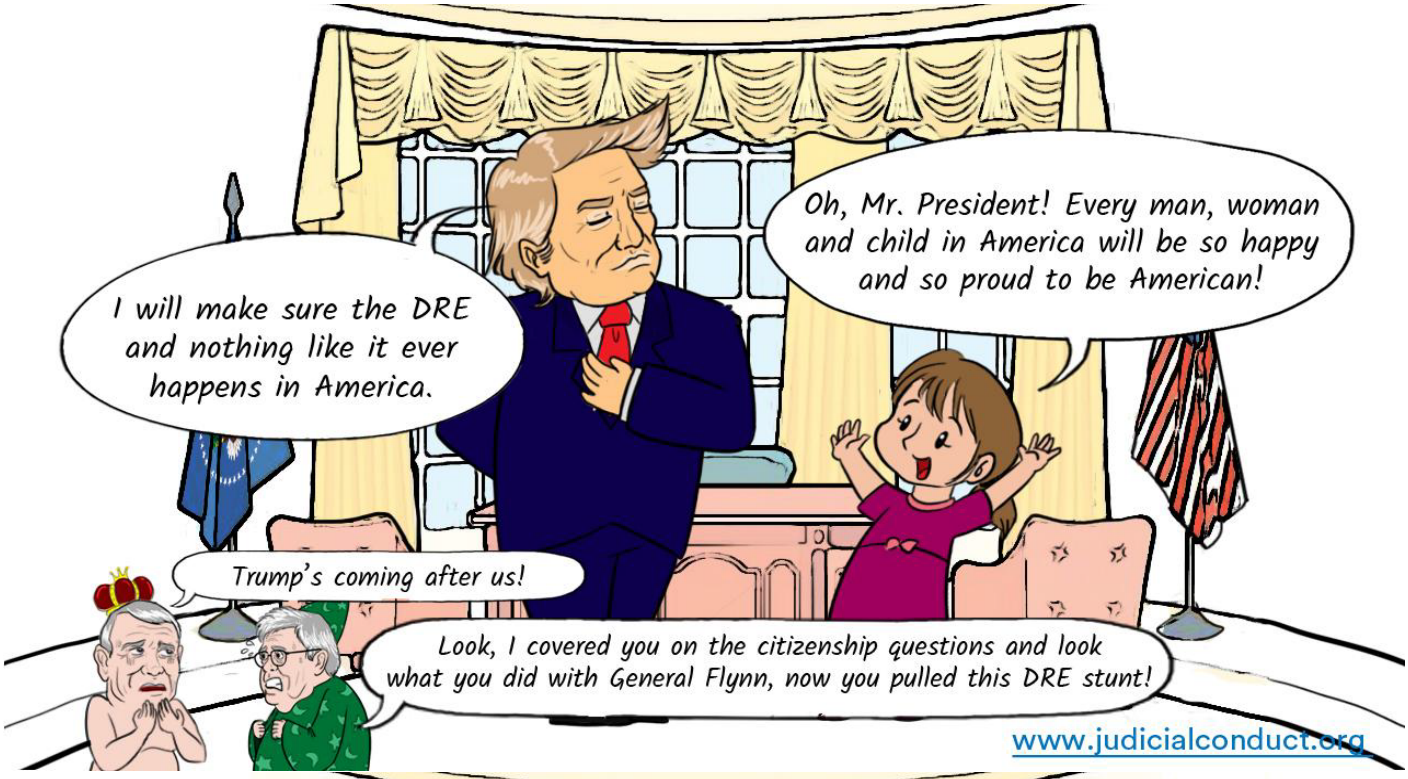


But the Wizard and his friends at the Federalist Society are on the Emperor's side. They just **want more judges and to hide the DRE and the Act!**
Yes. I promise I won't forget, Eva. **I will Take Care of both of those.**
www.judicialconduct.org

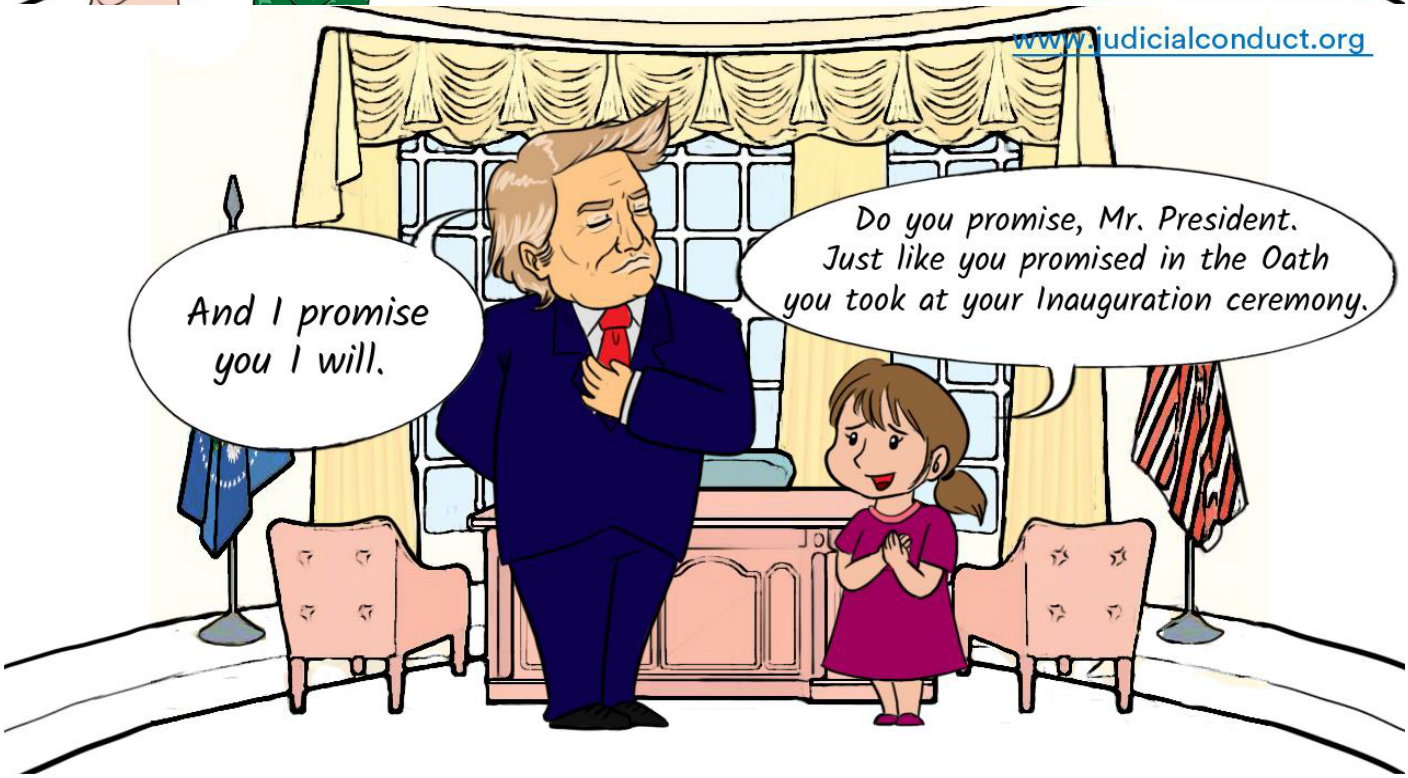
CHAPTER 10: THE ART OF DEAL

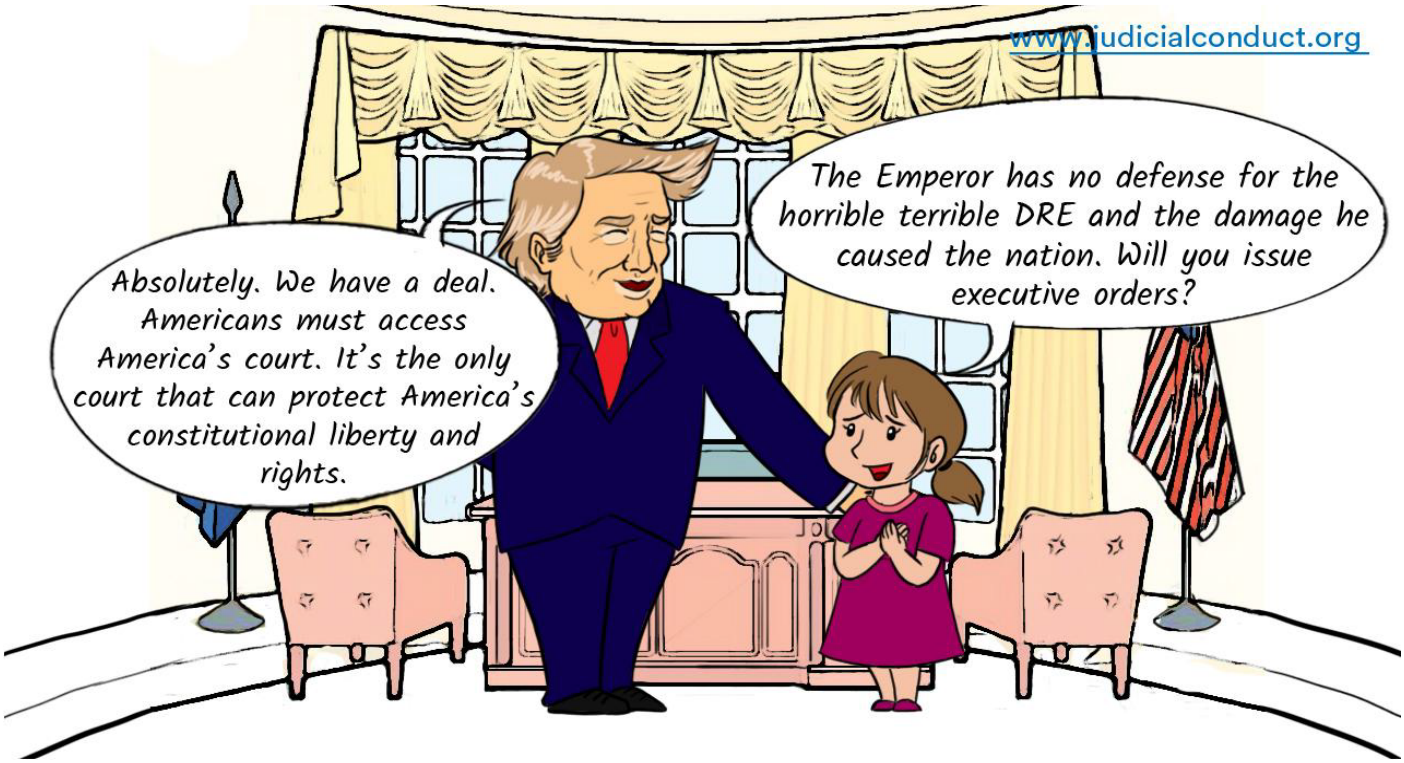






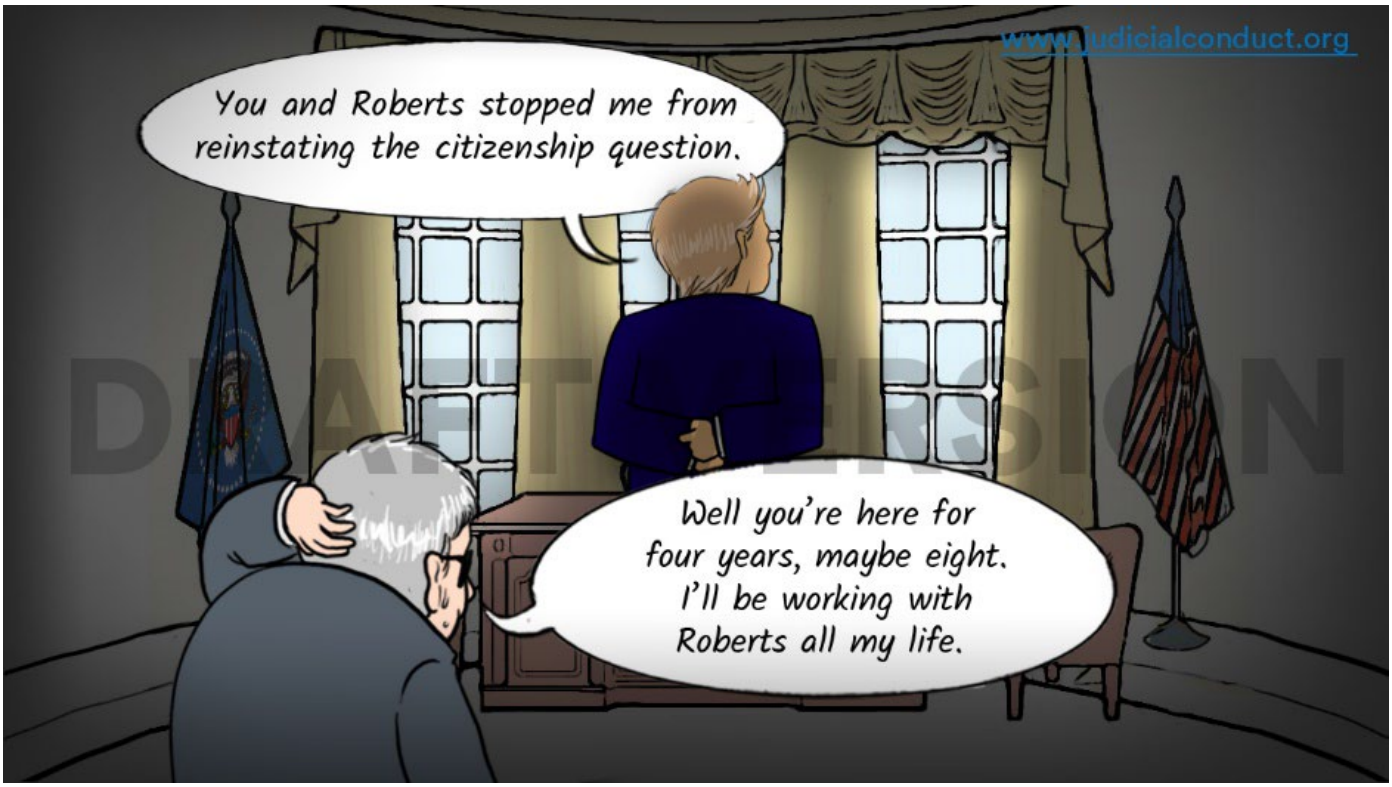
www.judicialconduct.org





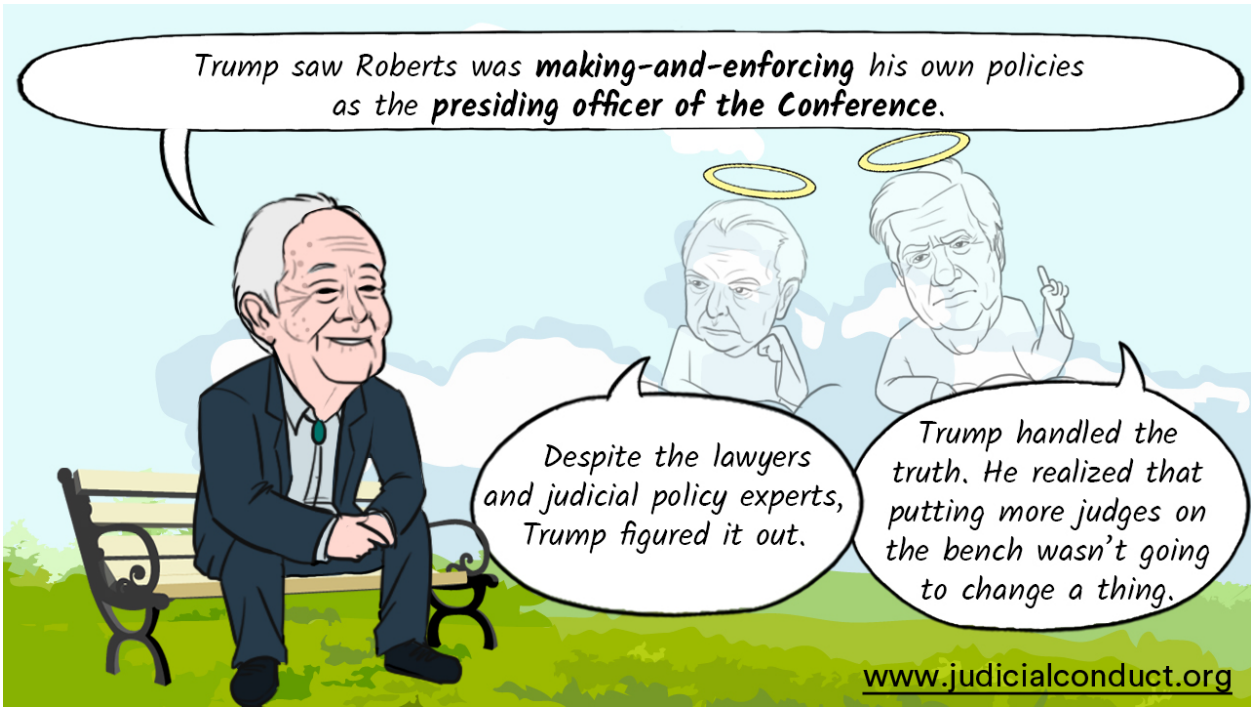
www.judicialconduct.org
The Emperor has no defense for the horrible terrible DRE and the damage he caused the nation. Will you issue executive orders?
Absolutely. We have a deal. Americans must access America's court. It's the only court that can protect America's constitutional liberty and rights.

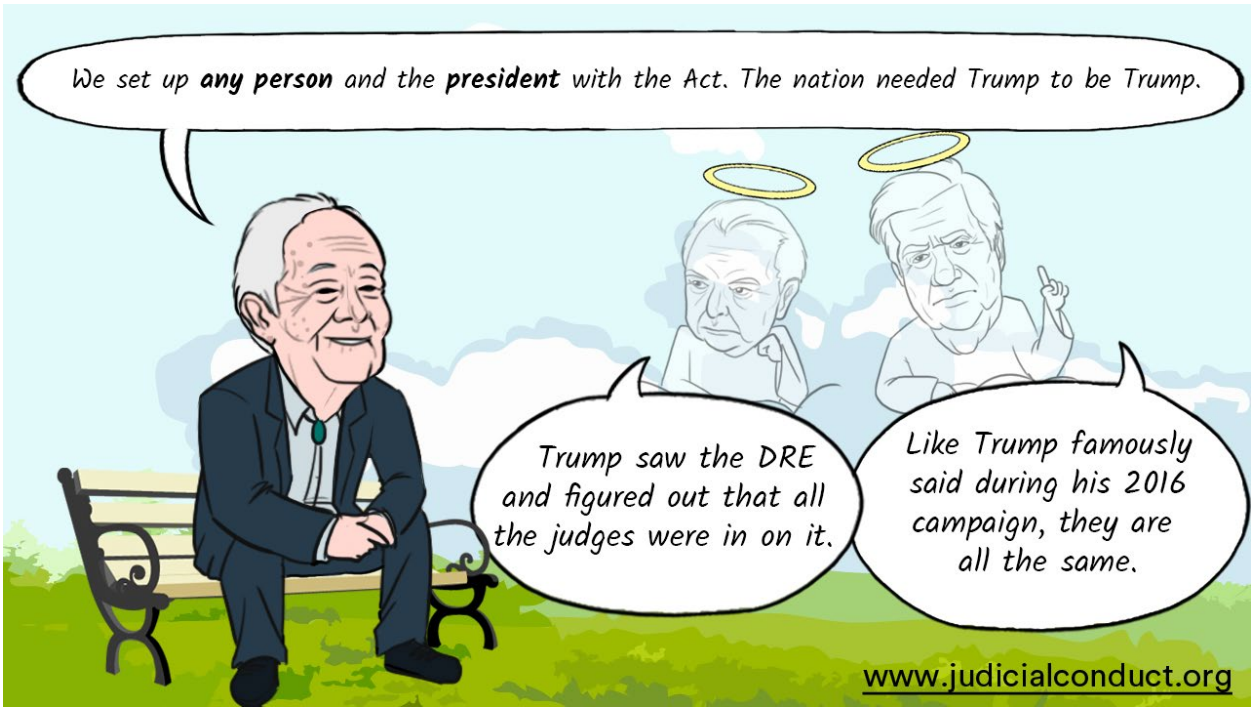
CHAPTER 11: DOUBLE-CROSSING BARR



www.judicialconduct.org
Like you worked on the DRE and Abrams-Archer cover ups?
You can't say that!
No? You made me and 70 million Americans look like racists to protect Roberts's open border policy.
Your cover ups are part of the election fraud on the Constitution and American people. You're fired.
DRAFT VERSION

CHAPTER 12: CARTER'S FRIENDS IN HEAVEN





1. Andersen's tale is based on a 1335 story from the *Libro de los ejemplos* (or *El Conde Lucanor*), a medieval Spanish collection of fifty-one cautionary tales with various sources such as Aesop and other classical writers and

Persian folktales, by Juan Manuel, Prince of Villena (1282–1348). Andersen did not know the Spanish original but read the tale in a German translation titled *"So ist der Lauf der Welt."* In the source tale, a king is hoodwinked by weavers who claim to make a suit of clothes invisible to any man not the son of his presumed father; whereas Andersen altered the source tale to direct the focus on *courtly pride and intellectual vanity* rather than adulterous paternity. There is also an Indian version of the story, which appears in the *Līlāvatīsāra* by Jinaratna (1283), a summary of a now-lost anthology of fables, the *Nirvāṇalīlāvatī* by Jineśvara (1052). The dishonest merchant Dhana from Hastināpura swindles the King of Śrāvastī by offering to weave a supernatural garment that cannot be seen or touched by any person of illegitimate birth. When the king is supposedly wearing the garment, his whole court pretends to admire it. The king is then paraded about his city to show off the garment; when the common folk ask him if he has become a naked ascetic, he realizes the deception, but the swindler has already fled.
